Basis of Settlement

The Insurer will pay the Insured, in respect of each item covered, the amount of their claim for **Business Interruption**, provided that at the time of any **Event**

- A. there is an insurance in force covering the interest of **the Insured** in the property at the **Premises** against such **Event** and that payment has been made or liability has been admitted for payment, or payment would have been made or liability would have been admitted for payment but for the operation of a proviso in such insurance excluding liability for claims below a specified amount
- B. the most **the Insurer** will pay for any one claim is in the whole the **Total Sum Insured**, or in respect of any one item its **Sum Insured** or any other limit of liability in this **Section**.

In consideration of **Sums Insured** or limits of liability not being reduced by the amount of any claim, **the Insured** will pay the appropriate additional premium on the amount of the claim from the date of the **Event** to expiry of the **Period of Insurance**, but this shall not apply in respect of theft or attempted theft (as insured by this **Section**).

The Insurer will pay the Insured as indemnity in consequence of **Business Interruption** for loss of **Gross Profit** due to

- A. Reduction in **Turnover**, and
- B. Increase in Cost of Working.

Reduction in **Turnover** means the sum produced by applying the **Rate of Gross Profit** to the amount by which the **Turnover** during the **Indemnity Period** falls short of the **Standard Turnover**.

Increase in Cost of Working means the additional expenditure (subject to the Uninsured Working Expenses clause) necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in **Turnover** which but for that expenditure would have taken place during the **Indemnity Period**.

Basis of Settlement Adjustments

The Insurer will not pay the Insured for

- A. Increase in Cost of Working exceeding the sum produced by applying the **Rate of Gross Profit** to the amount of reduction in **Turnover** thereby avoided
- B. any amounts saved during the **Indemnity Period** in respect of any of the charges and expenses of the **Business** payable out of **Gross Profit** that may cease or be reduced.

In calculating the amounts **the Insurer** will pay **the Insured** as indemnity, adjustments shall be made in accordance with the following clauses.

1. Average

If the **Sum Insured** by any item on **Gross Profit** is less than the sum produced by applying the **Rate of Gross Profit** to the **Annual Turnover**, or if the Departmental Trading clause applies is less than the aggregate of the sum produced by applying the **Rate of Gross Profit** for each department of the **Business** (whether affected by the **Event** or not) to its relative **Annual Turnover**, the amount payable will be proportionately reduced.

The amount of the **Annual Turnover** will be proportionately increased when the **Maximum Indemnity Period** exceeds 12 months.

2. Alternative Premises

If during the **Indemnity Period** goods are sold or services are rendered elsewhere than at the **Premises** for the benefit of the **Business**, either by **the Insured** or by others on behalf of **the Insured**, the money paid or payable for such sales or services shall be taken into account in arriving at the **Turnover** during the **Indemnity Period**.

3. Uninsured Working Expenses

If any working expenses of the business are excluded by this **Section** (having been deducted in arriving at **Gross Profit**), then in calculating the amount recoverable under this **Section** as Increase in Cost of Working, only that proportion of any such additional expenditure shall be taken into account that **Gross Profit** bears to the sum of **Gross Profit** and the **Uninsured Working Expenses**.

4. Departmental Trading

If the **Business** is conducted in departments, the independent trading results of which can be ascertained, the Basis of Settlement for **Gross Profit** shall apply separately to each department affected.

5. Trends and Variations

Adjustments shall be made to the figures representing the **Rate of Gross Profit**, the **Annual Turnover** and the **Standard Turnover** that may be necessary to provide for the trend of the **Business**, and for variations in or other circumstances affecting the **Business**, either before or after the **Event**, and which would have affected the **Business** had the **Event** not occurred, so that the adjusted figures represent as near as reasonably practicable results which but for the event would have been obtained during the relative period after the **Event**.

6. New Business

If the **Business** is in its first year of trading during the first **Period of Insurance**, and an **Event** occurs before completion of such first **Period of Insurance**, **Rate of Gross Profit**, **Annual Turnover** and **Standard Turnover** shall mean the following.

Rate of Gross Profit - the **Rate of Gross Profit** earned on the **Turnover** during the period between the date of commencement of the **Business** and the date of the **Event**.

Annual Turnover - the proportional equivalent, for the period of 12 months, of the **Turnover** realised during the period between the date of commencement of the **Business** and the date of the **Event**.

Standard Turnover - the proportional equivalent, for the period equal to the **Indemnity Period**, of the **Turnover** realised during the period between the date of commencement of the **Business** and the date of the **Event**.

7. Accountants' Charges

If the professional accountants of **the Insured** produce any particulars or details required by **the Insurer** from **the Insured's** books of account or other business books or documents, or any other proofs, information or evidence under the terms of Condition 2 of this **Section**, **the Insurer** will pay **the Insured** the reasonable charges payable by **the Insured** to their professional accountants, provided that the sum of such reasonable charges and any other amount payable under this **Section** shall not exceed the liability of **the Insurer** under this **Section**.

8. Value Added Tax

All terms in this **Section** shall be exclusive of value added tax to the extent that **the Insured** are accountable to the tax authorities for such tax.

9. Current Cost Accounting

For the purposes of this **Section**, any adjustment implemented in current cost accounting shall be disregarded.

10. Payments on Account

The Insurer will make payments on account during the **Indemnity Period**, if **the Insured** so request, subject to any necessary adjustment at the end of the **Indemnity Period**.

Section Conditions

1. Alteration in Risk

The Insured must notify **the Insurer** as soon as possible if during the **Period of Insurance** there is any alteration in the ownership of **the Insured**, or any alteration in or to the **Business** at the **Premises**

- a. due to the **Business** being wound up or carried on by a liquidator or receiver or permanently discontinued
 - b. in respect of which the interest of **the Insured** ceases other than by death
 - c. in respect of the risks of subsidence, ground heave or landslip where any demolition, construction, ground works or excavation work is being carried out on any adjoining site
 - d. to the facts or matters set out in the **Schedule** or otherwise comprising the risk presentation made by **the Insured** to **the Insurer** at inception, renewal or variation of the **Policy**
- which materially increases the risk of an **Event** and any other loss or expenditure as insured by this **Section**.

Upon being notified of any such alteration, **the Insurer** may, at its absolute discretion

- a. continue to provide cover under this **Section** on the same terms
- b. restrict the cover provided by this **Section**
- c. impose additional terms
- d. alter the premium
- e. cancel this **Section** and the **Policy**.

If **the Insured** fails to notify **the Insurer** of any such alteration, **the Insurer** may

- a. treat this **Section** and the **Policy** as if it had come to an end as at the date of the alteration of the risk, returning a proportionate amount of the premium for the unexpired **Period of Insurance**, if **the Insurer** would have cancelled this **Section** and the **Policy** had it known of the increase in risk
- b. treat this **Section** and the **Policy** as if it had contained such terms (other than relating to premium) or other restrictions (if any) from the date of the alteration in risk as **the Insurer** would have applied had it known of the increase in risk
- c. reduce proportionately the amount paid or payable on any claim, the proportion for which **the Insurer** is liable being calculated by comparing the premium actually charged as a percentage of the premium which **the Insurer** would have charged had it known of the increase in risk.

2. Additional Claims Conditions

In the event of any **Event** in consequence of which **the Insured** make or may make a claim under this **Section**, **the Insured** shall at their own expense deliver to **the Insurer**

- A. within 7 days of its happening, full details of **Business Interruption** caused by riot, civil commotion, strikers, locked-out workers, persons taking part in labour disturbances, malicious persons or theft
- B. not later than 30 days after expiry of the **Indemnity Period**, or such further time that **the Insurer** may allow, full information in writing of the particulars of the claim, together with details of all other policies covering property used by **the Insured** at the **Premises** for the purpose of the **Business** or any part of the business, and the amount of any resulting **Business Interruption**
- C. such books of account and other business books, vouchers, invoices, balance sheets and other documents, proofs, information, explanation and other evidence that **the Insurer** may reasonably require for the purpose of investigating or verifying the claim, together with, if required, a statutory declaration of the truth of the claim and of any matters connected with it.

Particulars or details contained in **the Insured's** books of account or other business books or documents, which may be required by **the Insurer** for the purpose of investigating or verifying any claim under this **Section**, may be produced by professional accountants if at the time they are regularly acting for **the Insured**. Their report shall be prima facie evidence of the particulars and details to which such report relates.

The Insurer will not pay for any claim unless the terms of this condition have been complied with, and any payment on account already made shall be repaid to **the Insurer**.

3. Contribution

If at the time of any **Event** resulting in a claim under this **Section** there is any other insurance effected by or on behalf of **the Insured** covering such loss or any part of it, the liability of **the Insurer** under this **Section** shall be limited to **the Insurer's** rateable proportion of such loss.

4. Subrogation

Any claimant under this **Section** shall, at **the Insurer's** request and expense, take or permit to be taken all necessary steps for enforcing rights against any other party in the name of **the Insured**, before or after **the Insurer** makes any payment.

The Insurer agrees to waive any such rights to which **the Insurer** might become entitled by subrogation against any company standing in relation of parent to subsidiary (or subsidiary to parent) to **the Insured** or against any company which is a subsidiary of a parent company of which **the Insured** are themselves a subsidiary, in each case within the meaning of the Companies Act or Companies (Northern Ireland) Order current at the time of the **Business Interruption**.

5. Arbitration

If any difference arises as to the amount to be paid under this **Section** (liability being otherwise admitted by **the Insurer**), such difference shall be referred to an arbitrator to be appointed by **the Insured** and **the Insurer** in accordance with statutory provisions.

Where any difference is referred to arbitration in accordance with this condition, the making of an award shall be a condition precedent to any right of action against **the Insurer**.

6. Declarations

The Insured may, at **the Insured's** option, provide the Insurer with a declaration confirmed by **the Insured's** auditors of the **Gross Profit** earned during the financial year most nearly concurrent with an expired **Period of Insurance**. If any **Event** has occurred giving rise to a claim for loss of **Gross Profit**, such declaration will be increased by **the Insurer** for the purpose of premium adjustment, by the amount by which the **Gross Profit** was reduced during such financial year solely in consequence of the **Event**.

If such declaration of **Gross Profit**, proportionately increased where the **Maximum Indemnity Period** exceeds 12 months, is less than the **Sum Insured** on **Gross Profit** for the relative **Period of Insurance**, **the Insurer** will allow a *pro rata* return of premium not exceeding 50% of the premium paid.
