

Complete Cargo

Complete Cargo is designed to protect goods against loss or damage whilst in transit worldwide or in storage in the UK. It's suitable for a wide range of businesses from suppliers and exporters/importers to retailers and wholesalers.

Specifically designed for businesses with a single transit value of up to £2.5m. It can also cover businesses transporting up to £50m worth of goods annually within the UK and importing/exporting goods up to £62m annually worldwide.

Cover is provided on an all risks basis and includes transit within the UK and to or from countries worldwide. It is available either as an annual or single trip policy, with optional UK storage cover, providing true warehouse to warehouse cover.

Cover includes:

General Average and Salvage Charges – covers the insured's liability under any General Average or Salvage act.

War Risks – covers goods whilst aboard a vessel or aircraft.

Exhibition Risks – worldwide cover available.

Airfreight Replacement – up to 25% of the value of goods or £20,000 per event.

Tools or Samples – for up to two vehicles and £5,000 per vehicle.

Concealed Damage – within 60 days of arrival.

Buyers and/or Sellers Contingent Interest – covers the insured's contingent financial interest in any goods where the insured has no responsibility to insure the goods under the terms of sale.

Terrorism – full terrorism cover during the course of transit and up to £100,000 whilst in storage.

Optional cover:

Storage – covers loss or damage to goods whilst held in storage at up to 10 UK locations.

Additional services

Our additional services can help customers to run their business safely and more efficiently:

Certificate Management System – your clients are able to create, amend and issue Marine Cargo Certificates of Insurance to provide evidence of cover to a buyer or bank. This is available anywhere in the world, 24/7/365, at ecertscargo.allianz.co.uk. Log-in details can be found on the policy schedule.

For Intermediary Use

Packaging with other products – your customers may need more than just cargo insurance, so we can package it with other Allianz products to provide a comprehensive insurance programme.

Surveys – our experienced team of risk surveyors can survey storage locations around the UK and help your customers manage their risk better.

Business risk support – we share guidance on health, safety, environmental, cyber security and business continuity matters.
