We will not invoke the remedies which might otherwise have been available to Us under this General Condition (Fair Presentation of the Risk) as against the Insured, if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular person who is not the Insured. However, if the person concerned or the Insured on their behalf makes a careless misrepresentation of fact, We may invoke the remedies available to Us under this General Condition as against that particular person, as if a separate insurance contract had been issued to such person, leaving the remainder of the Policy unaffected.
