QUICK GUIDE

But we wouldn't look to write:

- accountants involved in tax avoidance and/or tax mitigation work
- actuaries
- cladding risks
- environmental consultants
- fire protection consultants
- independent financial advisors
- Lloyds brokers
- medical malpractice
- risks with basements and/or swimming pools*
- solicitors
- surveyors involved with surveys and valuations for lending purposes.

*Whilst we cannot accommodate these types of risks on our Complete product, we would consider providing limited cover under Professional Indemnity Select. Please contact your local branch to discuss any cases you may have.

Standard excess

Excesses start at £500 and range depending on the complexity of the risk.
