What is Professional Indemnity insurance?

Professional Indemnity insurance covers your legal liability arising from your professional services in the event that a third party claims to have suffered a loss as a result of your professional negligence.

Professionals may owe a duty of care to anybody who might reasonably rely upon the service or advice they have provided. In today's commercial world, clients expect high standards of service and are more inclined to resort to litigation when such standards have not been met.

Professional Indemnity insurance is designed to provide protection against such claims, providing an indemnity for damages which are awarded against your business, for legal costs in defending the claim and for costs awarded against you should your defence prove unsuccessful.

Any business or person who provides services such as advice, design, or offers their skills or knowledge services in a professional category should consider Professional Indemnity insurance.

In addition, some professions are required to hold Professional Indemnity insurance as a regulatory requirement or as a result of their professional authorisation. This includes accountants, architects, insurance intermediaries and surveyors. Many other companies and individuals offering professional advice and services, including management consultants, advertising agencies and design and construction professionals also choose to buy this type of insurance.

Allianz Professional Indemnity Insurance

Allianz Insurance plc have introduced a wide ranging portfolio of Professional Indemnity insurance products, including individual wordings tailored to the specific requirements of individual professions.

Our products are worded very specifically to provide a wide cover, with the following advantages:

- cover is provided on a Civil Liability basis, which is the widest form of cover available
- Innocent Non Disclosure Condition waiving our rights to avoid the insurance cover in the event of innocent non – disclosure, misrepresentation or untrue statement
- where required our wordings do comply with the relevant governing body minimum standards and requirements
- cover can be issued as a stand alone policy, or combined with other non – motor insurance covers you hold with Allianz.

This insurance cover is a 12 month contract and is annually renewable. Start and end dates of the policy are detailed in the policy schedule.

Allianz Insurance plc contributes to the Financial Services Compensation Scheme (FSCS).

You may be entitled to compensation from the FSCS if We are unable to meet Our liabilities.
