

Fire Safety Products and Services

From Fire Protection Association

It is your responsibility as a business owner to make sure that employees and visitors can escape easily, quickly and safely in the event of a fire.

**Fire and rescue services attended
558,963 incidents in 2016/17 - a 6%
increase compare to the previous year.***

Your Special Offer

As an Allianz customer, you can conveniently access a range of fire safety products and services, including:

- **discounts of 10–30% off** on quality products and services
- free advice from the UK's national fire safety organisation to help draw attention to the dangers of fire and how the potential for loss is kept to a minimum
- standard training courses or arrange bespoke courses at your premises and online.

Product Range

The Fire Protection Association (FPA) offers a full range of products and services that can help your organisation to achieve and maintain fire safety compliance such as:

- training courses
- fire safety training aids
- fire risk assessment
- specialist consultancy services
- FPA membership.

FPA Membership

Membership is a practical and effective way to ensure that your staff understand fire safety compliance.

*Source: www.gov.uk - ISBN 978-1-78655-422-2, Home Office Statistical Bulletin 13 17

FPA membership includes:

- discounts on training courses, publications, fire risk assessments, fire safety signs, online learning services and Compliance Assured Fire Safety Management Review
- access to online member library, packed with advice and guidance
- free attendance at FPA networking/CPD events
- FPA CPD scheme and free recording tool
- access to e-learning services
- annual credit to spend on FPA products/services
- membership card and certificate in the company name
- fire Risk Management Journal.

NB: Corporate membership is advantageous for larger companies as it enables access for five users and a free pass to the FPA's Fire Sector Summit.

The FPA is also pleased to offer the following products and services to Allianz customers independently of membership.

Training Information Packs

A comprehensive package for both trainer and trainee designed for you to deliver complete in-house training for staff covering a wide range of fire safety topics.

You will receive Training Information Packs at discounted member rates (at least 10% discount).

Fire Safety Management Review

You can get an objective and competent overview of your fire safety management systems from the FPA.

From £535+ VAT, dependent on the size of your business (includes a 10% discount for all Allianz customers).

	Normal Member Price	Allianz Customer price	Discount %
SME	£260	£182	30%
Corporate	£565	£452	20%

Please note: prices are subject to change and may vary depending on site-specific circumstances. All prices are subject to VAT.

Contact Information

To receive your special discount, please quote reference '**Allianz**' and provide your policy number when you contact us.
