# Stolen Vehicle Recovery

From TRACKER Network UK

**Prevent vehicle theft with TRACKER's stolen vehicle recovery system - the most successful in the UK.**

**Nationally, 77% of vehicle theft investigations are closed by police with no suspect having been identified.\***

## Your Special Offer

**As an Allianz customer, you have access to £150 discount on the unit cost of TRACKER Monitor, Locate and S5 Plus vehicle tracking units. They use cutting edge technology to allow police to recover vehicles fast.**

To claim your £150 discount, please use code **ALLIANZ150** over the phone or via the TRACKER website: [www.tracker.co.uk](http://www.tracker.co.uk)

## Product Range

We've partnered with TRACKER Network (UK) Ltd, to offer discounted products which will help vehicle recovery in the event of a theft.

**TRACKER Monitor** – this product has a sophisticated movement sensor, which notifies TRACKER if the vehicle is moved without the ignition turned on. When TRACKER is alerted to an illegal movement the owner is then contacted to confirm whether the vehicle has been stolen. On confirmation and when a crime reference number is gained from the police, TRACKER will emit a silent signal for the police to follow.

### Monitor 1 year:

without discount £540  
with discount £390

### Monitor 3 year:

without discount £810  
with discount £660

**TRACKER Locate** – like Monitor, this product incorporates a sophisticated movement sensor which notifies TRACKER if the vehicle is illegally moved. The product also provides, jamming, counter measures, making the system more resilient to thieves attempting to stop the TRACKER communication system. The unit incorporates two means of communicating the location using Very High Frequency (VHF) and Global System for Mobile (GSM) technology and three means of locating a stolen vehicle using VHF, GSM and Global Positioning System (GPS).

**Locate 1 year:**

without discount £661  
with discount £511

**Locate 3 year:**

without discount £961  
with discount £811

**TRACKER S5 Plus** – In addition to GPS, this system uses unique VHF technology and meets insurance requirements of the Thatcham Category S5 standard. Driver tags are provided to identify authorisation to drive the vehicle. If a tag is not present when the vehicle is started an alert will be generated to the customer.

**S5 Plus 1 year:**

without discount £927  
with discount £777

**S5 Plus 3 year:**

without discount £1,257  
with discount £1,107

**Additional benefits**

Customers will have access to My TRACKER, a bespoke website offering tools such as, journey reports, private and business mileage and alerts for birthdays, security breaches when on holiday and more. Available to TRACKER Locate and S5 Plus only.
