

# Disaster Recovery Protection

From First Recovery

**Many companies cease trading after a major loss due to lack of recovery planning. Access dedicated disaster recovery services to give you piece of mind that your business can survive.**

**Three out of four businesses have insufficient plans for disaster recovery.\***

## Your Special Offer

**Should your premises become unfit for occupation, as an Allianz customer you'll receive:**

- emergency response in the event of an incident regardless of policy cover
- office space provided for up to 12 people including internet, email reconnection and phone redirection for a minimum of four weeks
- all services delivered within 24 hours of receiving instructions to mobilise.

## Product Range

First Recovery is a dedicated provider of disaster recovery services. They provide fully furnished offices as near as possible to the business premises where the damage has occurred, together with fully configured networks of PCs.

Their technicians will ensure the reconnection of email services and broadband internet access as well as arranging for the redirection of telephones.

**40% of businesses rated their organisation's ability to recover their operation in the event of a disaster as fair or poor.\***

First Recovery's unique emergency disaster recovery service includes:

- accommodation (normally within a five mile radius of the insured premises) in any one of over 500 standby office locations around the UK complete with furniture, meeting rooms and reception facilities
- an onsite dedicated event manager along with IT technicians
- restoring of your email service
- delivery, commissioning and installation of a standby PC network - up to 12 stations
- help with reinstatement of your data
- redirection of telephone lines.
