- risks based outside of the United Kingdom and which require a global insurance solution.

## MOTOR BEFORE THE EVENT LEGAL EXPENSES DISTRIBUTOR PRODUCT GUIDE

We will not look to write risks:

- which have been previously declined or insurer cancelled or have a history of non-disclosure / misrepresentation.

We wouldn't expect this product to provide fair value to:

- customers with ongoing legal disputes which would ordinarily be covered under this policy
- customers who reside outside of the territorial limits.

### Product value assessment

Our product value assessment is based on the premium we charge for the cover and the services we provide. We take a wide range of factors into consideration, such as historical and expected claims frequencies, incurred and projected claims costs, plus scenario analysis including likely economic and climatic trends, along with customer feedback.

We also consider how the premium is affected by the commission added by the distributing intermediary for the activities they conduct. Any additional charges within the distribution chain may potentially erode the intended value of our product.

### Distribution strategy

Our Motor legal expenses product has been designed for distribution by insurance intermediaries or insurers that hold personal lines agency facilities with us. They must have the appropriate level of understanding about the risks and exposures faced by their customers in the operation of their business.
