4 Subrogation

Any claimant under this **Section** shall, at **the Insurer's** request and expense, take or permit to be taken all necessary steps for enforcing rights against any other party in the name of **the Insured**, before or after **the Insurer** makes any payment.

The Insurer agrees to waive any such rights to which **the Insurer** might become entitled by subrogation against any company standing in relation of parent to subsidiary (or subsidiary to parent) to **the Insured** or against any company which is a subsidiary of a parent company of which **the Insured** are themselves a subsidiary, in each case within the meaning of the Companies Act or Companies (Northern Ireland) Order current at the time of the **Business Interruption**.

5 Arbitration

If any difference arises as to the amount to be paid under this **Section** (liability being otherwise admitted by **the Insurer**), such difference shall be referred to an arbitrator to be appointed by **the Insured** and **the Insurer** in accordance with statutory provisions.

Where any difference is referred to arbitration in accordance with this condition, the making of an award shall be a condition precedent to any right of action against **the Insurer**.
