

Proposal Form Dispensation Declaration

Select

Allianz Insurance plc (**we, us, our**) and Client (**you, your**).

The Policy of Insurance and the Schedule which attaches and forms part of it (**the Insurance Contract**) have been prepared in reliance on information which we have received from you through your Insurance Adviser.

Important information – your duty to make a fair presentation of the risk

You must make a fair presentation of the risk to us at inception, renewal and variation of your Policy. This means that you must tell us about all facts and circumstances which may be material to the risks covered by your Policy in a clear and accessible manner or give us sufficient information to alert us of the need to make enquiries about such facts or circumstances.

Material facts are those which are likely to influence us in the acceptance of or assessment of the terms or pricing of your Policy. If you are in any doubt as to whether a fact is material, you should tell us about it.

If you fail to make a fair presentation of the risk, we may avoid your Policy (that is treat it as if it had not existed) and refuse to pay any claims where any failure to make a fair presentation is:

- a deliberate or reckless; or
- b of such other nature that, if you had told us about a material fact or circumstance, we would not have issued, renewed or varied your Policy.

In all other cases, if you fail to make a fair presentation of the risk, we will not avoid your Policy but we may instead:

- a reduce proportionately the amount paid or payable on any claim, the proportion for which we are liable being calculated by comparing the premium actually charged as a percentage of the premium which we would have charged had you made a fair presentation (e.g. if we would have charged you double the premium, we will only pay half the amount of any claims under your Policy); and/or
- b treat your Policy as if it had included such additional terms as we would have imposed had you told us about a material fact or circumstance. Payment of any claim you make will be subject to the application of any such additional terms.

For these reasons it is important that you check all of the facts, statements and information set out in this form or in any other information provided are complete and accurate. You must also make reasonable enquiries to check with anyone you employ in your business that the facts and statements set out in this form or in any other information provided are complete and accurate and that there are no other material facts which you need to disclose.

If any of the facts, statements and information set out in this form, risk presentation or any additional information provided are incomplete or inaccurate, you or your insurance adviser must contact us immediately. Failure to do so could invalidate your policy or lead to a claim not being paid or not being paid in full.

You should also note that the Insurance Contract is issued on the understanding that neither you or any partner, director, or any other person responsible for managing the business, either personally or in any business capacity:

- a has been convicted of or charged (but not yet tried) with any criminal offence other than road traffic offences
- b has received an official caution for a criminal offence within the last three years other than a (road traffic) motoring offence
- c has ever been declared bankrupt or entered into an individual voluntary arrangement, or if a company, gone into liquidation, administration, receivership, administrative receivership, or entered into a company voluntary arrangement or creditors scheme of arrangement
- d has ever been a director or partner of a company that went into liquidation, administration, receivership, administrative receivership, or entered into a company voluntary arrangement, or a creditors scheme of arrangement or was dissolved
- e has ever been prosecuted for a breach of any statute relating to health or safety of employees or others
- f has ever been served with a Prohibition Notice under the Health and Safety at Work etc. Act 1974 and associated regulations
- g has ever been prosecuted for failure to comply with any environmental protection legislation

- h** has ever been the subject of a recovery action by HM Revenue and Customs
- i** has ever been the subject of a County Court or High Court judgment
- j** has ever been a director of a company that has received a County Court or High Court judgment against it
- k** has ever been disqualified under the Company Directors Disqualification Act 1986 or any subsequent legislation from holding office as a director of a company

If any of these assumptions is inaccurate or incomplete you or your Insurance Adviser must tell us immediately. Failure to do so could invalidate your policy or lead to a claim not being paid or not being paid in full.
