Introduction

Your Complete Business Policy is made up of several parts which must be read together as they form your contract of insurance with the Insurer. Please take time to read all parts of the Policy to make sure they meet and continue to meet your needs and that you understand the terms, exclusions and conditions. If you wish to change anything or if there is anything you do not understand, please let your insurance adviser know.

The parts of the Policy are:

- the Statement of Fact
- this Policy Wording which contains
  - this Introduction; the Insuring Clause; the Policy Definitions, the Policy Exclusions and the Policy Conditions, all of which apply to all Sections of the Policy
  - the Sections of cover provided, including the Section Definitions, Extensions, Conditions and Exclusions
- the Schedule, which confirms the Sections of cover that are insured and includes any additional clauses applied to the Policy

Any Section stated to be ‘Not Insured’ in the Schedule shall be inoperative.

Any word or expression in the Policy which has a specific meaning has the same meaning wherever it appears in the Policy, unless stated otherwise.

Changes to your circumstances

Please tell your insurance adviser as soon as reasonably possible if there are any changes to your circumstances which could affect your insurance.

Please refer to Policy Condition 21 (Change of Risk) on page 13 of this Policy Wording.

If your circumstances change and you do not tell your insurance adviser, you may find that you are not covered if you need to claim.

Allianz Insurance plc contributes to the Financial Services Compensation Scheme (FSCS).

The Insured may be entitled to compensation from the FSCS if the Insurer is unable to meet their liabilities. Further information about compensation scheme arrangements is available at www.fscs.org.uk, by emailing enquiries@fscs.org.uk or by phoning the FSCS on 0800 678 1100 or 0207 741 4100.

1 Conditions Precedent to Liability
If the Insured does not comply with any part of any condition which makes payment of a claim conditional upon compliance with it (a condition precedent), the Insurer will not pay for any claim, except that where the condition concerned:

a operates only in connection with particular premises or locations, the Insurer will pay for claims arising out of an event occurring at other premises or locations which are not specified in the condition;

b operates only at particular times, the Insurer will pay for any claim where the Insured shows on the balance of probabilities that its non-compliance with the condition did not cause or contribute to the injury, loss, damage or liability which occurred;

c would, if complied with, tend to reduce particular types of injury, loss, damage or, as the context may require, the Insurer will pay for any claim where the Insured shows on the balance of probabilities that its non-compliance with the condition did not cause or contribute to the injury, loss, damage or liability which occurred.

2 Fair Presentation of the Risk

a The Insured must make a fair presentation of the risk to the Insurer at inception, renewal and variation of the Policy.

b The Insurer may avoid the Policy and refuse to pay any claims where any failure to make a fair presentation is:

i deliberate or reckless; or

ii of such other nature that, if the Insured had made a fair presentation, the Insurer would not have issued the Policy.

The Insurer will return the premium paid by the Insured unless the failure to make a fair presentation is deliberate or reckless.

c If the Insurer would have issued the Policy on different terms had the Insured made a fair presentation, the Insurer will not avoid the Policy (except where the failure is deliberate or reckless) but the Insurer may instead:

i reduce proportionately the amount paid or payable on any claim, the proportion for which the Insurer is liable being calculated by comparing the premium actually charged as a percentage of the premium which the Insurer would have charged had the Insured made a fair presentation; and/or

ii treat the Policy as if it had included such additional terms (other than those requiring payment of premium) as the Insurer would have imposed had the Insured made a fair presentation.

For the purposes of this clause references to:

a avoiding a Policy means treating the Policy as if it had not existed from the inception date (where the failure to make a fair presentation of the risk occurs before or at the inception of the Policy), the renewal date (where the failure occurs at renewal of the Policy), or the variation date (where the failure occurs when the Policy is varied);

b refunds of premium should be treated as refunds of premium back to the inception date, renewal date or variation date as the context requires;

c issuing a Policy should be treated as references to issuing the Policy at inception, renewing or varying the Policy as the context requires.

3 Reasonable Precautions
The Insured shall take all reasonable care:

a to prevent accidents and any injury or Damage

b to observe and comply with statutory or local authority laws, obligations and requirements

c in the selection and supervision of employees

d to maintain the Buildings, Contents and everything used in the Business in efficient and safe working order

e to make good or remedy any defect or danger which becomes apparent and take such additional precautions as the circumstances may require.

4 Claims – Action by the Insured
The Insured shall in the event of any injury, Damage or consequential loss as a result of which a claim is or may be made under this Policy or any Section of it, and again upon receipt by the Insured in writing of any notice of any claim or legal proceeding:

a notify the Insurer within 30 days, or within 7 days in the case of Damage or consequential loss by riot, civil commotion, strikers, locked-out workers, persons taking part in labour disturbances, malicious persons or theft, or such further time as the Insurer may allow

b notify the Insurer immediately upon being advised of any prosecution, inquest or enquiry connected with any injury, Damage or consequential loss which may form the subject of a claim under this Policy

c notify the police as soon as it becomes evident that any Damage has been caused by theft or malicious persons

d not pay or offer or agree to pay any money or make any admission of liability without the previous consent of the Insurer
6 Cancellation

Insured’s Cancellation Rights

The Insured has the right to immediately cancel the cover within 14 days of the commencement of cover or the receipt of Policy documentation, whichever is the later (this period is referred to as the “cooling off period”).

The Insured should exercise this right by contacting their insurance adviser or by writing to the Allianz office which issued the Policy documentation.

If the Insured does exercise their right to cancel during the “cooling off period”, and provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current Period of Insurance, the Insured will be entitled to a return of premium calculated on a pro-rata basis, less an administration charge of £25 to cover operational costs. The amount of premium to be refunded under this condition will be reduced by all unpaid premiums or unpaid premium instalments outstanding at the date of cancellation.

If the “cooling off period” has expired, the Insured may cancel the Policy during the Period of Insurance by giving 14 days notice in writing to their insurance adviser or the Allianz office which issued the Policy documentation.

Provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current Period of Insurance the Insured will be entitled to a refund of the premium paid calculated on a pro-rata basis, less an administration charge of £25 to cover operational costs. The amount of any premium to be refunded under this condition will be reduced by all unpaid premiums or unpaid premium instalments due.

Insurer’s Cancellation Rights

In addition to the Insurers’ rights set out elsewhere in the Policy, including but not limited to Condition 2 (Fair Presentation of the Risk) and Condition 7 (Fraud), where there is a valid reason for doing so the Insurer may cancel this Policy at any time by giving the Insured at least 14 days’ notice in writing sent to the Insured’s last known address. The notice will set out the reason for cancellation.

5 Claims – The Rights of the Insurer

In respect of Damage for which a claim is made, the Insurer and any person authorised by the Insurer may without incurring any liability or diminishing any of the Insurer’s rights in respect of the cover under this Policy, enter Premises where such Damage has occurred, and take possession of or require to be delivered to the Insurer any Property Insured, and to deal with such Property for all reasonable purposes and in any reasonable manner.

No Property may be abandoned to the Insurer, whether taken possession of by the Insurer or not.

The Insurer will not pay for any claim unless the terms of this Policy Condition have been complied with.
Policy Conditions (continued)

Valid reasons for cancellation may include but are not limited to:

a  Non payment of premium (including if the premium for this Policy is paid by instalments and in the event that the Insured fails to pay one or more instalments whether in full or in part). In the event that a premium payment is missed the Insurer will write to the Insured notifying them that a payment has been missed and requesting payment by a specific date. If payment is not received by the Insurer by the specific date the Insurer will send a final letter to the Insured requesting payment by a final date which will be set out in the final letter. If payment is not received by the final date the Insurer will cancel the policy with immediate effect. The Insured will be notified in writing if the policy is cancelled;

b  Continued failure by the Insured to comply with the terms and conditions of this Policy;

c  Failure by the Insured to allow the Insurer to complete a survey (where the Policy has been issued or renewed subject to a survey);

d  Failure by the Insured to adhere to, or implement, any risk improvement requirements or conditions required by the Insurer, including any changes required by any survey or claims adjusters report, within a reasonable period of time as advised by the Insurer;

e  Material change in the risk or the sums insured;

f  Failure by the Insured to co-operate with the Insurer or provide the Insurer with information or documentation reasonably required by the Insurer and the lack of cooperation by the Insured affects the Insurers ability to process a claim or defend the Insurers interests or make risk based underwriting decisions. In this case the Insurer will write to the Insured giving notice of cancellation of this Policy in the event that the Insured does not cooperate to provide the information or documentation reasonably required within a period of 14 days starting from the date provided in the letter; or

g  The Insured’s use of threatening, abusive or intimidating behaviour or inappropriate language or bullying of the Insurers staff or suppliers.

If the Insurer does cancel this Policy, provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current Period of Insurance the Insured will be entitled to a proportionate return of the premium in respect of the unexpired Period of Insurance. The amount of premium refund payable will be reduced by all unpaid premiums or unpaid premium instalments due.

7 Fraud

If the Insured or anyone acting on the Insured’s behalf:

a  makes any false or fraudulent claim;

b  makes any exaggerated claim;

c  supports a claim by false or fraudulent documents, devices or statements (whether or not the claim is itself genuine); or

d  makes a claim for loss or damage which the Insured or anyone acting on the Insured’s behalf deliberately caused;

the Insurer will:

i  refuse to pay the whole of the claim; and

ii  recover from the Insured any sums that it has already paid in respect of the claim.

The Insurer may also notify the Insured that it will be treating the Policy as having terminated with effect from the date of the earliest of any of the acts set out in sub-clauses a – d above. In that event, the Insured will:

a  have no cover under the Policy from the date of the termination; and

b  not be entitled to any refund of premium.

8 Subrogation

Any claimant under this Policy shall, at the Insurer’s request and expense, take or permit to be taken all necessary steps for enforcing rights against any other party in the name of the Insured, before or after the Insurer makes any payment.

The Insurer agrees to waive any such rights to which the Insurer might become entitled by subrogation against any company standing in relation of parent to subsidiary (or subsidiary to parent) to the Insured or against any company which is a subsidiary of a parent company of which the Insured are themselves a subsidiary, in each case within the meaning of the Companies Act or Companies (Northern Ireland) Order current at the time of the Damage.

9 Arbitration

If any difference arises as to the amount to be paid under this Policy (liability being otherwise admitted by the Insurer), such difference shall be referred to an arbitrator to be appointed by the Insured and the Insurer in accordance with statutory provisions. Where any difference is referred to arbitration in accordance with this condition, the making of an award shall be a condition precedent to any right of action against the Insurer.
10 Law Applicable and Jurisdiction
Unless agreed otherwise by the Insurer:
  a the language of the Policy and all communications relating to
     it will be English; and,
  b all aspects of the Policy including negotiation and

is available apart from such Act.

12 Non Invalidation
This Policy shall not be invalidated by:
  a any act or omission or by any alteration unknown to or beyond
     the control of the Insured by which the risk of Damage is

     any Excess.

The Insurer will not make any further payment in respect of such
claim or claims except for costs and expenses which the Insurer
has already agreed to bear and which were incurred prior to such
payment.

14 Protections
The Insured must:
  a ensure that all security protections in force at the Premises at
     the inception of this Policy or subsequently as stipulated by or
     agreed by the Insurer shall be in full operation securing the
     Premises whenever the Premises are closed for business or

15 Fire Precautions
In respect of fire extinguishing appliances within the Premises the

a. treat the Policy as if it had come to an end as at the date of the alteration of the risk, returning a proportionate amount of the premium for the unexpired Period of Insurance, if the Insurer would have cancelled the Policy had it known of the increase in risk;
b. treat the Policy as if it had contained such terms (other than relating to premium) or other restrictions (if any) from the date of the alteration in risk as the Insurer would have applied had it known of the increase in risk;
c. reduce proportionally the amount paid or payable on any claim, the proportion for which the Insurer is liable being calculated by comparing the premium actually charged as a percentage of the premium which the Insurer would have charged had it known of the increase in risk.

22 Other Insurances
If at the time of any Damage there is any other insurance covering such incidents, the Insurer will only pay their rateable proportion of such loss.

23 Survey and Risk Improvement Condition
If this Policy has been issued or renewed subject to the Insurer completing a survey or surveys of the Premises or of any other location(s) as specified by the Insurer, then pending completion of such survey(s) cover is provided by the Insurer on the terms, conditions, provisions, exclusions and limits as specified in the Policy and in the Sections of the Policy.

In the event that a survey should show that a risk or any part of it is not satisfactory in the opinion of the Insurer, then the Insurer reserves the right to either:

a. alter the premium or terms and conditions of the cover or
b. suspend or cancel cover
   i. from the date cover was incepted or renewed, or
   ii. for any other period specified by the Insurer

It is a condition precedent to the liability of the Insurer that the Insured must comply with all survey risk improvements required by the Insurer within completion time scales specified by the Insurer. In the event that a risk improvement is not completed or risk improvement procedures are not introduced within the completion time scales specified by the Insurer, then the Insurer reserves the right to either:
Policy Conditions (continued)

1. continue cover subject to alteration of the terms and conditions of such cover, or

2. suspend or cancel cover effective
   a. from the date cover was incepted or renewed or
   b. from the expiry of any time period specified by the Insurer for completion/introduction of the required survey risk improvements, or
   c. for any other period specified by the Insurer.

If the terms or conditions of cover are amended by the Insurer, then the Insured will have 14 days to accept or reject the revised basis of cover.

If the Insured elect to reject the revised basis of cover, then provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current Period of Insurance the Insured will be entitled to a refund of the premium paid calculated on a pro-rata basis, less an administration charge of £25 to cover operational costs. The amount of any premium to be refunded under this condition will be reduced by all unpaid premiums or unpaid premium instalments due.

If the Insurer exercises the right to suspend or cancel cover, then provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current Period of Insurance the Insured will be entitled to a proportionate return of the premium in respect of such period that cover is suspended or for any period beyond the effective date from which cover is cancelled. The amount of premium refund payable will be reduced by all unpaid premiums or unpaid premium instalments due.

Except in so far as they are expressly varied by this condition, all of the terms, conditions, provisions, exclusions and limits of the Policy and of the Sections of the Policy shall continue to apply until the Insurer advises otherwise.

To the extent that this condition conflicts with any other cancellation condition, this condition shall prevail.

24 Minimum Level of Security

This condition is only applicable where stated by clause applied to the Policy.

It is a condition precedent to liability that the following requirement, including any alarm requirement where specified by the security level detailed in the Policy Schedule, are met within 60 days of the inception or amendment of the Policy. Any alternative methods of securing the Premises must be agreed in writing by the Insurer.

The Insured must ensure these measures are in force when the Premises are closed for business or unattended.

Security Level 1

The cover provided is subject to the following minimum standards of security.

Doors

Depending on which of the following door types are present, the following requirements apply to all external doors and internal doors which lead to another part of the Building which the Insured do not occupy:

1. UPVC, or Aluminium or plastic framed glazed doors – a multipoint lock which, where installed after 30/06/2011, conforms to PAS 3621 (including amendments) or a cylinder operated mortise deadlock. For double doors, the first closing section must have integral or surface mounted bolts which shoot into the frame at the top and the floor at the bottom of the door. The final closing section must have a cylinder operated mortise deadlock.

2. Armoured plate glass doors – door manufacturer’s integral locks.

3. Other single-leaf doors – provided the door thickness is a minimum of 44mm a mortise deadlock to BS 3621 (including amendments) and a boxed steel striking plate at least 175mm long should be fitted. If the door thickness is less than 44mm secure with a deadlocking rim lock to BS 3621 (including amendments). The Insured must put either of these into the deadlock position when the Premises are closed for business or unattended.

4. Double-leaf doors – secure the final closing section with a lock as described in 3 above and secure the first closing section with bolts at least 175mm long and having a minimum throw of 20mm, which shoot into the frame at the top and the floor at the bottom of the door. Or, fit one section with bolts at the top and bottom (as described above) and both parts of the door with a padlock and locking bar. If the locking bar is on the outside of the door, it must be used with a padlock conforming to BS EN 12320 Security Grade 5 (including amendments). If the locking bar is internal, it must be used with a padlock conforming to BS EN 12320 Security Grade 4 (including amendments). The padlock bar must be of similar strength to the padlock and designed to be used specifically with the padlock, in both cases the padlock bar must be secured to the door with coach bolts.
5 Fire exit doors – the relevant enforcing authority must approve any locks on these doors. The Insurer must approve any locks or other method of security the Insured agrees following a discussion with the enforcing authority.

6 Folding doors – secure all folding sections with bolts at top and bottom, as described in 4 above. Dependent upon its construction, the last section must be secured with a lock as described in 3 above or with a coach bolted locking bar and padlock as described in 4 above.

7 Sliding doors – coach-bolted locking bar and padlock secured as described in 4 above, or a deadlock with a hook bolt which conforms to BS 3621 (including amendments).

8 Wicket gates – dependent upon its construction (see above) a mortise deadlock or deadlocking cylinder rim-latch to BS 3621 (including amendments) or locking bar and padlock as in 4 above.

9 Roller Shutters – these must conform to LPS 1175 (including amendments).

For electrically operated roller shutters, the Insured must fit a key operated isolation switch to the electricity supply to the controls. If this is not fitted then one of the measures for manually operated roller shutters shown below must be installed.

Where the operating controls for the roller shutters are external to the Premises, these are to be secured within a welded steel housing of at least 3mm thickness with a door or cover plate secured with a padlock conforming to BS EN 12320 Security Grade 4 (including amendments). The housing is to be so secured when the Premises are closed for business or unattended.

The Insurer requires one of the following for manually operated roller shutters:

- key operated “pinson” or “bullet” locks into each guide rail fitted as close to the bottom of the door as possible
- the chain of the door being secured to the wall bracket by a good-quality open-shackle padlock conforming to BS EN 12320 Security Grade 4 (including amendments).
- a bolt fitted to the shutter door internally with the bolt engaging into the door runner and padlocked into position using a padlock conforming to BS EN 12320 Security Grade 4 (including amendments).

Windows
All windows in external walls at ground floor and basement levels and any windows, fanlights and skylights in accessible positions (accessible means a window, fanlight and skylight that can be easily reached, such as one next to a low roof, especially a flat roof or a fire escape) which were originally made to open must have either:

1 Window locks that use a key. Louvered windows must be replaced with either fixed glass, or a normal opening window which can be secured with a window lock used with a key.

2 Solid steel bars, fitted horizontally or vertically, not less than 19mm in diameter and not more than 125mm apart. These must be securely fixed to the brickwork or masonry around the window to a depth of at least 50mm. These must be set back by at least 50mm from the outside surface of the wall. The bars must pass through tie bars, made of flat iron, at least 6mm thick and 40mm wide and the distance between the tie bars must not be more than 600mm.

Keys
The Insured must remove all keys from the locks and keep them in a secure place or remove them from the Premises. If the Insured lives on the Premises, they must be removed to a secure place in the residential part of the Premises.

Basis of Settlement
1 The Insurer will pay the Insured the value of the Property Insured at the time of its Damage, or at the Insurer’s option will reinstate or replace such Property or any part of such Property.

2 The most the Insurer will pay for any one claim is the Total Sum Insured, or for each item its individual Sum Insured, or any other limit of liability in this Section whichever is the less at the time of Damage.

3 Any Excess will be deducted from the amount payable after the application of all terms and conditions of this Section and the Policy including any Average (Underinsurance) Basis of Settlement Adjustment. The Excess applies to each separate Premises.
Section 1 – Property Damage (continued)

**Automatic Reinstatement**
In the absence of written notice by the Insured or the Insurer to the contrary, in consideration of Sums Insured or limits of liability not being reduced by the amount of any claim from the date of the Damage, the Insured will pay the appropriate additional premium due for the period from the date of Damage to expiry of the Period of Insurance, but this shall not apply in respect of theft or attempted theft.

**Basis of Settlement Adjustments**
Subject to the terms, conditions, exclusions and limits of this Section, in calculating the most the Insurer will pay for any one claim, adjustments shall be made in accordance with the following clauses.

1 **Reinstatement (Day One Basis)**
   a Subject to the Special Conditions set out below, the basis on which the amount payable for Buildings and Contents is to be calculated will be the reinstatement of the Property Damaged.
      For this purpose “reinstatement” means
      i the rebuilding or replacement of Property Damaged
         which, provided the Insurer’s liability is not increased, may be carried out
            • in any manner suitable to the requirements of the Insured
            • on another site
      ii the repair or restoration of Property Damage
         in either case to a condition equivalent to, or substantially the same as, but no better or more extensive than its condition when new.
   b The Declared Value (shown in brackets below the Sum Insured on the Schedule), having been stated in writing by the Insured, has been used to calculate the premium.
      “Declared Value” means the assessment by the Insured of the cost of reinstatement of Property Insured arrived at in accordance with paragraph 1ai of the Basis of Settlement Adjustments at the level of costs applying at inception of the Period of Insurance (ignoring inflationary factors which may subsequently operate), together with, to the extent that cover provides, due allowance for
      i any additional cost of reinstatement to comply with Public Authorities regulations, bye-laws or stipulations
      ii professional fees
      iii removal of debris costs

2 **Reinstatement (Day One Basis) Special Conditions**
   1 At the inception of each Period of Insurance, the Insured shall notify the Insurer of the Declared Value of Property Insured. In the absence of such declaration the last amount declared by the Insured will be taken as the Declared Value for the new Period of Insurance, appropriately adjusted for Index Linking where applicable.
   
   For the purposes of this Condition, Index Linking shall be calculated in the following manner.

   Sums Insured and/or Declared Values will be adjusted to take into account movements in the appropriate index and renewal premiums will be based on the adjusted Sums Insured and/or Declared Values.

   For Buildings, the General Building Cost Index issued by the Building Cost Information Service of the Royal Institute of Chartered Surveyors (or some other suitable index the Insurer decides upon) will be used.

   For Contents and other Property specifically described in the Schedule (other than Stock), the Retail Price Index (or some other suitable index the Insurer decides upon) will be used.

   These changes will continue to be applied between the date of any Damage and the date when replacement or repair has been completed.

3 The Insurer’s liability for the repair or restoration of Property Damaged in part only, shall not exceed the amount which would have been payable if such Property had been wholly destroyed.

4 No payment beyond the amount the Insurer would have paid in the absence of this clause will be made
   a unless reinstatement commences and proceeds without unreasonable delay
   b until the cost of reinstatement has actually been incurred
   c where Property Insured at the time of Damage is covered by any other insurance effected by the Insured, or on behalf of the Insured, which is not on the same basis of reinstatement.
5 All the terms and conditions of this Section and the Policy shall apply
   a to any claim payable under the provisions of this clause, other than where they are expressly varied by the terms of this clause
   b where claims are payable as if this clause had not been incorporated, except that Sums Insured will be limited to Declared Values.

2 Average (Underinsurance)
The Sums Insured by
   a any items for Buildings or Contents subject to the Reinstatement (Day One Basis) clause are declared to be separately subject to Average as described in Special Condition 2 of such clause
   b any other items of Property Insured (other than any Sum Insured applying solely to rent, fees, removal of debris or private dwellings) are declared to be separately subject to Average. This means if at the time of Damage the Sum Insured for any item is less than the value of the item covered by such Sum Insured, the amount payable by the Insurer will be proportionately reduced.

3 Contribution and Average
If at the time of Damage any other insurance has been effected by or on behalf of the Insured covering any of the Property Damaged, the Insurer’s liability under this Section shall be limited to the Insurer’s rateable proportion of such Damage.

If such other insurance is subject to Average (Underinsurance), this Section if not already subject to Average shall be subject to Average in like manner.

If such other insurance is subject to any provision which excludes it from ranking concurrently with this Section, either in whole or in part, or from contributing rateably, the liability of the Insurer under this Section shall be limited to that proportion of the Damage which the Sum Insured for this Section bears to the value of the Property.

4 Public Authorities
Subject to the Public Authorities Special Conditions set out below, cover for Buildings and Contents includes an amount in respect of any additional cost of reinstatement which is incurred solely by reason of the necessity to comply with building or other regulations under or framed in pursuance of any Act of Parliament, with bye-laws of any public authority or to comply with the stipulations of European Union legislation, in consequence of Damage, excluding

1 the cost incurred in complying with such regulations, bye-laws or stipulations
   a in respect of Damage occurring prior to the granting of this cover
   b in respect of Damage not insured by this Section
   c under which notice has been served upon the Insured before the date of the Damage
   d in respect of undamaged Property or undamaged portions of Property, other than foundations (unless specifically excluded) of that portion of the Property Damaged

2 the additional cost that would have been required to make good the Property Damaged to a condition equal to its condition when new, had the necessity to comply with such regulations, bye-laws or stipulations not arisen

A  General Conditions

1  Change of Risk
   It is a condition precedent to the liability of the Insurer to provide cover under this Section that the Insured must notify the Insurer in writing of any alteration during the Period of Insurance which would materially affect the Insurers assessment of the risk and that part of this insurance affected shall cease to be in force unless such alteration is agreed in writing by the Insurer. The Insurer shall have the right to amend the premium and the Insured will pay an additional premium to, or receive a refund of premium from, the Insurer as the case may be.

2  Arbitration
   Any dispute between the Insured Person and the Insurer concerning this Section shall be referred to a single arbitrator who will be either a solicitor or barrister agreed upon by the parties or failing agreement one who is nominated by the President of the appropriate Law Society or by the Chairman of the Bar Council or appropriate professional body within the Geographical Limits. All the costs of the arbitration shall be met in full by the party against whom the decision is made. If the decision is not clearly made against one party the arbitrator will have the power to apportion costs. If the decision is made in the Insurer’s favour, the Insured Person’s costs will not be recoverable under this Section. The decision will be final and binding upon both the Insured Person and the Insurer and cannot be the subject of an appeal.

3  Maintenance of Records
   It is a condition precedent to the Insurer’s liability to provide cover under this Section that the Insured has kept and maintained reasonable books and records. Where the Insured is a corporate organisation such books and records must have been kept in accordance with the Companies Acts.

4  Disclosure of the Existence of this Section
   The Insured Person or the Legal Representative must not reveal the existence of this Section unless the Insurer has given written consent or is ordered to do so by a court.

5  Assignment
   This Section may not be assigned by the Insured Person or by the Insured Person’s executors or administrators.
B Claims Process Conditions

1 Notification of Claims
It is a condition precedent to the Insurer’s liability to provide cover under this Section that the Insurer is notified in writing by the Insured Person by the completion of a claim form, or in another way confirmed by the Insurer to the Insured Person, immediately the Insured Person is, or should have been, aware of any cause, event or circumstance which has given or may give rise to a Claim involving the Insured Person.

If the Insured Person fails to notify the Insurer of such cause, event or circumstance during the Period of Insurance any Claim arising from that cause, event or circumstance will not be accepted. When such a notification has been given, the Insurer agrees to treat any subsequent Claim in respect of the cause, event or circumstance notified as though the Claim had been made, brought or commenced during the Period of Insurance.

Important procedure for Employment Disputes
If a Claim Form (ET1) is received from an Employment Tribunal the Insured must immediately complete a claim form and forward it to the Insurer, to arrive no later than 7 days after receipt of the Claim Form (ET1). Response Form (ET3), which should be left blank, must also be sent.

2 Consent
It is a condition precedent to the liability of the Insurer to provide cover under this Section that consent to accept a claim and:

- incur Legal Expenses; and
- pay Awards of Compensation, Data Protection Compensation Awards, Jury Service Allowance or Witness Attendance Allowance must first be obtained in writing from the Insurer (“Consent”). Consent will be given if the Insured Person can satisfy the Insurer that:

  - there are Reasonable Prospects of a Satisfactory Outcome and
  - in a particular case, it is reasonable for Legal Expenses to be incurred and/or a Claim in respect of Awards of Compensation, Data Protection Compensation Awards, Jury Service Allowance or Witness Attendance Allowance be accepted under this Section.

In reaching a decision on whether or not to give Consent the Insurer will seek the opinion of the Legal Representative.

If the Insurer and the Legal Representative are unable to agree on whether Reasonable Prospects of a Satisfactory Outcome exist, the Insurer will seek the opinion of any other legally qualified advisor or other expert appropriate to the Claim they feel it is necessary to consult in order to make their decision.

In all cases the Insured Person will be advised in writing of the granting or refusal of Consent.

3 Dealing with the Claim
If the Insurer grants Consent a Legal Representative will be instructed and will then act in accordance with Claims Process Condition 8.

The Insurer may withdraw Consent previously given at any time if facts become known which would mean that a particular Claim would not have been accepted under the terms of this Section or if there are no longer Reasonable Prospects of a Satisfactory Outcome. Provided there has been full compliance with the Section terms the Insurer agrees to indemnify the Insured Person in respect of Legal Expenses incurred up to the date when the Insurer notified the Insured Person that Consent had been withdrawn.

If the Insured Person decides to proceed with the pursuit or defence of a Claim to which the Insurer has refused to give Consent and is subsequently successful the Insurer will pay Legal Expenses as if the Insurer had given Consent at the outset.

4 Duty of the Insured Person to Minimise Claims
In respect of any Claim for which Consent has been granted under the Section the Insured Person must use best endeavours and take all reasonable measures to minimise the cost and effect of any Claim under this Section.

If the Insured Person fails to comply with this requirement then the Insurer will have the right to adjust the Insurer’s liability under this Section to the extent that a Claim would have cost the Insurer had the Insured Person complied.

5 The Insurer’s Right to Settle Claims
The Insurer shall have the right to take over and conduct in the name of the Insured Person any Claim at any time and can settle any Claim on behalf of the Insured Person on such terms as the Insurer deems appropriate. At its absolute discretion, the Insurer may decide to settle the Claim by paying the Insured Person the amount of damages claimed by, or against, the Insured Person instead of indemnifying the Insured Person for Legal Expenses or Awards of Compensation, Data Protection Compensation Awards or Witness Attendance Allowance. Where the Insurer exercises this discretion the Insurer will cease to be liable for any further Legal Expenses, Awards of Compensation, Data Protection Compensation Awards or Witness Attendance Allowance in respect of that Claim.
Section 9 – Commercial Legal Expenses (continued)

6 Insolvency of the Insured Person
During the course of any Claim to which the Insurer has given support, the Insurer has the right to withdraw that support immediately if the Insured Person
a becomes insolvent (or commits an act of insolvency or bankruptcy) or
b enters into liquidation or
c makes an arrangement with creditors or
d enters into a deed of arrangement or
e has part or all of their affairs assets or property placed in the care or control of a receiver or a liquidator or
f has an administration order over their affairs assets or property.

7 Appeal Procedure
If, following legal proceedings to which the Insurer has given Consent, the Insured Person wishes to appeal against the judgment or decision of a court or tribunal, it is a condition precedent to the Insurer’s liability to continue to provide cover under this Section that the grounds of such appeal must be submitted to the Insurer in good time and by secure means so that the Insurer may consider whether there are Reasonable Prospects of a Satisfactory Outcome in respect of the appeal and if so whether to Consent to such further action. The Insurer will inform the Insured Person and the Legal Representative of their decision.

If the Insurer requires it, the Insured Person will co-operate fully in an appeal against the judgment or decision of a court or tribunal.

8. Legal Proceedings
a Freedom to choose a Legal Representative
For any Claim where the Insurer may be liable to pay Awards of Compensation under Event 1 Employment Disputes and Awards of Compensation, or Data Protection Compensation Awards under Event 5 Data Protection, the Insurer will choose the Legal Representative.

For any other Claim the Insurer will choose the Legal Representative at any time before the Insurer agrees that legal proceedings need to be issued or defended. The Insured Person can only choose a Legal Representative if the Insurer agrees that legal proceedings need to be issued or defended or if a conflict of interest arises which means that the Legal Representative originally chosen by the Insurer cannot act for the Insured Person. The Insured Person must send the name and address of the Insured Person’s chosen Legal Representative to the Insurer.

Other than where such a conflict of interest has arisen, if the Insurer agrees to appoint a Legal Representative that the Insured Person chooses, the Insured Person must pay a £500 Excess. The Insured Person must pay the Excess at the start of the Claim. If the Insurer agrees to appoint a Legal Representative that the Insured Person chooses, that Legal Representative will be appointed on the same terms as the Insurer would have appointed its’ chosen Legal Representative.

In respect of any Claim for which the Insurer has granted Consent, the Legal Representative will be appointed in the name of and on behalf of the Insured Person to act for the Insured Person in accordance with the terms of this Section.

In agreeing to the selection of a Legal Representative the Insured Person will comply with Claims Process Condition 4.

The Insurer’s liability to provide cover under this Section will cease immediately with no liability to indemnify the Insured Person in any respect unless in its absolute discretion the Insurer agrees to another Legal Representative being appointed to continue acting for the Insured Person under the terms of this Section, if:

i due to any conduct or failure to act by the Insured Person, the Legal Representative reasonably refuses to continue acting for the Insured Person or
ii the Insured Person unreasonably dismisses the Legal Representative against the advice of the Legal Representative and without the Insurer’s agreement.

b Disclosures to the Legal Representative
It is a condition precedent to the Insurer’s liability to provide cover under this Section that the Insured Person must give the Legal Representative all possible help and information including a complete and truthful account of the facts of the case and all relevant documentary or other evidence in the Insured Person’s possession. The Insured Person must provide, obtain or execute all documents as necessary and attend meetings or conferences as requested.

c Access to Information
The Insurer is entitled to receive from the Legal Representative any information, document or advice in connection with any Claim, even if privileged. On request the Insured Person will give to the Legal Representative any instructions necessary to secure the required access.
d Obligations of the Insured Person and Legal Representative in relation to any Claim.

It is a condition precedent to the Insurer’s liability to provide cover under this Section that:

i The Insured Person and on their behalf the Legal Representative immediately notify the Insurer in writing of any information as soon as it is received which may affect the Insurer’s opinion on the Reasonable Prospects of a Satisfactory Outcome of the Claim

ii The Insured Person and on their behalf the Legal Representative will inform the Insurer in writing as soon as any offer to settle a Claim is received or made or an offer of payment into Court is received. The Insured Person or the Legal Representative will under no circumstances enter into any agreement to settle without the Insurer’s prior written consent. If, in the Insurer’s opinion, the Insured Person unreasonably withholds agreement to settle, cover under this Section will cease immediately. The Insurer agrees to indemnify the Insured Person in respect of Legal Expenses incurred up to the date when cover ceased

iii The Insured Person and on their behalf the Legal Representative will report in writing the result of the Claim to the Insurer when it is finished.

e Payment of Legal Representative’s Bills

The Insurer shall have the right to settle Legal Expenses at the conclusion of a Claim.

The Insured Person should forward all bills which are received from the Legal Representative relating to the Claim to the Insurer without delay following conclusion of the Claim. If the Insurer requires, the Insured Person must ask the Legal Representative to submit the bill of costs for audit or assessment by the appropriate court or, at the discretion of the Insurer, a law costs draughtsman or other competent party. The Insurer will only pay Legal Expenses that are determined as reasonable by the audit or assessment.

The Insured Person is responsible for the payment of all Legal Expenses. The Insurer may settle these direct if requested by the Insured Person to do so. The payment of some Legal Expenses does not imply that all Legal Expenses will be paid.

The Insured Person must not, without the Insurer’s written consent, enter into any agreement with the Legal Representative as to the basis of calculation of Legal Expenses.

f Instruction of Counsel

If, during the course of any Claim (other than where Claims Process Condition 2 applies), the Insured Person or the Legal Representative considers it necessary and wishes to instruct counsel, counsel’s name must first be submitted to the Insurer for Consent to the proposed instruction.

g Conduct of the Claim

It is a condition precedent to the Insurer’s continuing liability to provide cover under this Section that the Insured Person

i does not withdraw from a Claim or dismiss the Legal Representative without the written agreement of the Insurer and the Legal Representative

ii co-operates fully with the Legal Representative or the Insurer in the conduct of the Claim

iii follows the advice of the Legal Representative.

If the Insured Person fails to comply with either i, ii or iii then the Insurer’s liability to provide cover under this Section will cease immediately and the Insurer will not be responsible for the payment of Legal Expenses, Compensatory Awards or Data Protection Compensation Awards and will be entitled to reimbursement of all Legal Expenses already incurred in respect of the Claim unless the Insurer agrees to appoint another Legal Representative to continue the Claim.

h Award of Costs

Where the Insured Person is awarded costs, it is a condition precedent to the Insurer’s liability to provide cover under this Section that the Insured Person and the Legal Representative must take every reasonable step to recover Legal Expenses which would be or have been subject to payment under this Section. All such recoveries will be taken into account when calculating the Insurer’s liability under this Section.

i Alternative Dispute Resolution

When, in the Insurer’s opinion, alternative dispute resolution would appear to provide a more effective method of resolving any Claim, the Insurer may request that the Insured Person agrees to submit such Claim to a professional dispute resolution service, to be selected by the Insurer.

In considering alternative dispute resolution the Insured Person will comply with Claims Process Condition 4 and will not therefore unreasonably withhold Consent.
Section 9 – Commercial Legal Expenses (continued)

If the Legal Representative needs to carry out more than 7 hours of work or needs to incur expenses or other disbursements in order to provide the Insured with the assessment, these costs will be payable by the Insured to the Legal Representative. The costs will be confirmed to, and agreed with, the Insured before the Legal Representative continues with the production of the assessment.

If the Legal Representative and the Insurer agree that the Insured has reasonable prospects of successfully pursuing the dispute, the Insured will be given an option to enter into a legal action against
a fee being payable by the Insured to the Debt Recovery Service. The fee will be a percentage of the Undisputed Debt. The level of the fee, and the time at which it will be payable by the Insured, will be confirmed to the Insured by the Debt Recovery Service when the Debt Recovery Service is initially contacted. There may be additional expenses that are necessarily incurred by the Debt Recovery Service to recover the Undisputed Debt. These will also be payable by the Insured and will be confirmed by the Debt Recovery Service to the Insured at the appropriate time.

This Section does not cover the fee charged by the Debt Recovery Service or any expenses incurred in recovering the Undisputed Debt.

If, in the view of the Debt Recovery Service and the Insurer, the other party to the Contract submits a viable defence in respect of the Undisputed Debt

a the Insured must report the matter as a Claim under Event 12

b if the amount in dispute is above the Small Claims Limit, the Insured will have the option of using the Additional Service 1 described above to obtain an assessment on whether Reasonable Prospects of a Satisfactory Outcome exist to pursue a legal action against the other party to the Contract.

If the Insured fails to comply with Policy Condition 2 (Fair Presentation of the Risk), the Insurer will not invoke any of the remedies available to it under that Condition as against the Insured, if the failure concerns only facts or information which relate to a particular Insured Person or Insured Persons. In that case, provided that the Insured Person concerned or the Insured on their behalf made a careless misrepresentation of facts, the Insurer may invoke the remedies available to it under Policy Condition 2 (Fair Presentation of the Risk) as against that Insured Person only, as if a separate insurance contract had been issued to such person, leaving the remainder of the Policy unaffected.

2 Payment of Premium
The Insured must pay to the Insurer all premiums due to the Insurer together with all taxes due on the premiums.

If the Insurer agrees to accept payment of premiums by instalments and payment of any instalment is not made on a due date for whatever reason the full outstanding balance shall become payable immediately.

If after a reasonable period of time has elapsed the Insurer having examined all the evidence available has no reason to suppose other than that the Insured Person has sustained an accident during the Operative Time of Cover resulting in their Death, the disappearance of such Insured Person shall be deemed to constitute Death by accident for the purposes of this Policy.

In the event of the Insured Person’s re-appearance after payment of compensation under Benefit 1 in the Scale(s) of Compensation the beneficiary thereof will repay such compensation to the Insurer unless probate has been granted or legal evidence of the presumption of Death has been supplied to the Insurer.

7 Claims conditions

It is the duty of the Insured to inform the Insurer if any claim payment does exceed these limits. Payment will be proportionately reduced until these limits are not exceeded.

c Payment by the Insurer to the Insured of any Weekly Benefit does not prejudice the Insured’s entitlement to any other Benefit but payment of Weekly Benefits will cease if the Insurer pays any of the Capital Sum Benefits and the Insurer will not be liable to pay any further Benefits in respect of the same Insured Person for the same Loss.

d The Schedule shows the Weekly Benefit payable to the Insured for each complete working week of Temporary Total Disablement or Temporary Partial Disablement.
