Complete Cargo is designed to protect goods against loss or damage whilst in transit worldwide or in storage in the UK.

**Cover**
Complete Cargo covers goods against loss or damage whilst in transit by road, rail, sea or air. Cover is provided on an all risks basis and includes transit within the UK and to or from counties worldwide. It is available either as an annual or single trip policy, with optional UK storage cover, providing true warehouse to warehouse cover.

This product is specifically designed for businesses with a single transit value of up to £2.5m. It can also cover businesses transporting up to £50m worth of goods annually within the UK and importing/exporting goods up to £62m annually worldwide.

**Cover includes:**
- **General Average and Salvage Charges** – covers the insured's liability under any General Average or Salvage act.
- **Exhibition Risks** – worldwide cover available.
- **Airfreight Replacement** – up to 25% of the value of goods or £20,000 per event.
- **Tools or Samples** – for up to two vehicles and £5,000 per vehicle (with the option to increase).
- **Concealed Damage** – within 60 days of arrival.
- **War Risks** – covers goods whilst aboard a vessel or aircraft.
- **Buyers and/or Sellers Contingent Interest** – covers the insured's contingent financial interest in any goods where the insured has no responsibility to insure the goods under the terms of sale.

**Optional cover:**
- **Storage** – covers loss or damage to goods whilst held in storage at up to 10 UK locations.
