Introduction

Your Complete Contractor Policy is made up of several parts which must be read together as they form your contract of insurance with the Insurer. Please take time to read all parts of the Policy to make sure they meet and continue to meet your needs and that you understand the terms, exclusions and conditions. If you wish to change anything or if there is anything you do not understand, please let your insurance adviser know.

The parts of the Policy are:

- the Statement of Fact
- this Policy Wording which contains
  - this Introduction; the Insuring Clause; the Policy Definitions, the Policy Exclusions and the Policy Conditions, all of which apply to all Sections of the Policy
  - the Sections of cover provided, including the Section Definitions, Extensions, Conditions and Exclusions
- the Schedule, which confirms the Sections of cover that are insured and includes any additional clauses applied to the Policy

Any Section stated to be ‘Not Insured’ in the Schedule shall be inoperative.

Any word or expression in the Policy which has a specific meaning has the same meaning wherever it appears in the Policy, unless stated otherwise.

Changes to your circumstances

Please tell your insurance adviser as soon as reasonably possible if there are any changes to your circumstances which could affect your insurance.

Please refer to Policy Condition 3 (Change of Risk) on page 8 of this Policy.

If your circumstances change and you do not tell your insurance adviser, you may find that you are not covered if you need to claim.

Financial Services Compensation Scheme

Allianz Insurance plc contributes to the Financial Services Compensation Scheme (FSCS).

The Insured may be entitled to compensation from the FSCS if the Insurer is unable to meet their liabilities. Further information about compensation scheme arrangements is available at www.fscs.org.uk, by emailing enquiries@fscs.org.uk or by phoning the FSCS on 0800 678 1100 or 0207 741 4100.

Depending on the type of claim and value involved, we may:
• forward a claim form for you to complete and sign
• ask you for additional information

Helpful advice when making a claim
Your insurance policy comes with a number of great features to help keep your business up and running. These additional features do not come with standard policies and have been designed especially for small businesses in mind.

Keeping your business up and running

• in the event of an emergency, we will send out a repairer to make your premises secure within 24 hours – even during the night
• you should carry out any emergency action to protect your property from further damage (e.g. turning off main services) or to make it waterproof or secure. If emergency work has been completed on your own authority please contact us before permanent repairs begin
• we will be pleased to provide advice and assistance to find the right person or organisation to help you. We have a nationwide network of quality trade people on call to get you up and running. For large incidents, we will usually assign a loss adjuster who will manage your repairs and has the authority to authorise repairs up to £50,000
• please do not dispose of damaged items before we have had the opportunity to inspect them
• you should report to the Police any loss or damage from theft, arson, malicious damage, or riot or civil commotion and obtain a crime reference number from them
• if you do incur any charges, please retain the bills as these may form part of your claim

You should comply with the requirements for claim notification contained in the policy conditions, which detail your obligations and our rights in the event of a claim. If you are in any doubt please contact us.

Employees
We understand how important your employees are to your business. This is why, in the unfortunate event of serious injury to your employees, we provide a medically trained rehabilitation team to work with your employees, getting them back to health and back to work as quickly as possible.

If an employee or someone else is holding you responsible for injury to them or for damage to their property then you should tell us promptly and send any letters, writs or summons to us unanswered.

Please ensure that your responsibility for injury to someone or damage to their property is not discussed with or admitted to anyone else.

Policy Conditions

Applicable to the Policy unless stated to the contrary under the conditions in the Sections.

1 Law Applicable and Jurisdiction
Unless the Insurer agrees otherwise:

a the language of the Policy and all communications relating to it will be English; and
b all aspects of the Policy including negotiation and performance are subject to English law and the decision of the English courts.

2 Reasonable Precautions
The Insured shall take all reasonable care:

a to prevent accidents and any Injury or Damage
b to observe and comply with statutory or local authority laws, obligations and requirements
c in the selection and supervision of Employees
d to maintain the buildings, contents and everything used in the Business in efficient and safe working order
e to make good or remedy any defect or danger which becomes apparent and take such additional precautions as the circumstances may require.

3 Change of Risk
The Insured must notify the Insurer as soon as possible if during the Period of Insurance there is any alteration:

a in or to the Business;
b to or at the Premises;
c to the facts or matters set out in the Statement of Fact or otherwise comprising the risk presentation made by the Insured to the Insurer at inception, renewal or variation of the Policy; which materially increases the risk of injury, loss, Damage or liability.

Upon being notified of any such alteration, the Insurer may, at its absolute discretion:

a continue to provide cover under this Policy on the same terms;
b restrict the cover provided under this Policy;
c impose additional terms;
d alter the premium;
e cancel the Policy.

If the Insured fails to notify the Insurer of any material alteration of the risk, the Insurer may:

a treat the Policy as if it had come to an end as at the date of the alteration of the risk, returning a proportionate amount of the premium for the unexpired Period of Insurance, if the Insurer would have cancelled the Policy had it known of the increase in risk;
b treat the Policy as if it had contained such terms (other than relating to premium) or other restrictions (if any) from the date of the alteration in risk as the Insurer would have applied had it known of the increase in risk;
c reduce proportionately the amount paid or payable on any claim, the proportion for which the Insurer is liable being calculated by comparing the premium actually charged as a percentage of the premium which the Insurer would have charged had it known of the increase in risk.

4 Fraud
If the Insured or anyone acting on the Insured’s behalf:

a makes any false or fraudulent claim;
b makes any exaggerated claim;
c supports a claim by false or fraudulent documents, devices or statements (whether or not the claim is itself genuine); or
d makes a claim for loss or damage which the Insured or anyone acting on the Insured's behalf deliberately caused;

the Insurer will:
i refuse to pay the whole of the claim; and
ii recover from the Insured any sums that it has already paid in respect of the claim.

The Insurer may also notify the Insured that it will be treating the Policy as having terminated with effect from the date of the earliest of any of the acts set out in sub-clauses a – d above. In that event, the Insured will:

a have no cover under the Policy from the date of the termination; and
b not be entitled to any refund of premium.
5 Fair Presentation of the Risk

a The Insured must make a fair presentation of the risk to the Insurer at inception, renewal and variation of the Policy.

b The Insurer may avoid the Policy and refuse to pay any claims where any failure to make a fair presentation is:

i deliberate or reckless; or

ii of such other nature that, if the Insured had made a fair presentation, the Insurer would not have issued the Policy.

The Insurer will return the premium paid by the Insured unless the failure to make a fair presentation is deliberate or reckless.

c If the Insurer would have issued the Policy on different terms had the Insured made a fair presentation, the Insurer will not avoid the Policy (except where the failure is deliberate or reckless) but the Insurer may instead:

i reduce proportionately the amount paid or payable on any claim, the proportion for which the Insurer is liable being calculated by comparing the premium actually charged as a percentage of the premium which the Insurer would have charged had the Insured made a fair presentation; and/or

ii treat the Policy as if it had included such additional terms (other than those requiring payment of premium) as the Insurer would have imposed had the Insured made a fair presentation.

For the purposes of this condition references to:

a avoiding a Policy means treating the Policy as if it had not existed from the inception date (where the failure to make a fair presentation of the risk occurs before or at the inception of the Policy), the renewal date (where the failure occurs at renewal of the Policy), or the variation date (where the failure occurs when the Policy is varied);

b refunds of premium should be treated as refunds of premium back to the inception date, renewal date or variation date as the context requires;

c issuing a Policy should be treated as references to issuing the Policy at inception, renewing or varying the Policy as the context requires.

6 Cancellation

6.1 Insured’s Cancellation Rights

The Insured has the right to immediately cancel the cover within 14 days of the commencement of cover or the receipt of Policy documentation, whichever is the later (this period is referred to as the “cooling off period”).

The Insured should exercise this right by contacting their insurance intermediary or by writing to the Allianz office which issued the Policy documentation.

If the Insured does exercise their right to cancel during the “cooling off period”, and provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current Period of Insurance, the Insured will be entitled to a return of premium calculated on a pro-rata basis, less an administration charge of £25 to cover operational costs. The amount of premium to be refunded under this condition will be reduced by all unpaid premiums or unpaid premium instalments outstanding at the date of cancellation.

If the “cooling off period” has expired, the Insured may cancel the Policy during the Period of Insurance by giving 14 days’ notice in writing to their insurance intermediary or by writing to the Allianz office which issued the Policy. Provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current Period of Insurance the Insured will be entitled to a refund of the premium paid calculated on a pro-rata basis, less an administration charge of £25 to cover operational costs. The amount of any premium to be refunded under this condition will be reduced by all unpaid premiums or unpaid premium instalments due.

6.2 Insurer’s Cancellation Rights

In addition to the Insurers’ rights set out elsewhere in the Policy, including but not limited to Condition 5 (Fair Presentation of the Risk) and Condition 4 (Fraud), where there is a valid reason for doing so the Insurer may cancel this Policy at any time by giving the Insured at least 14 days’ notice in writing sent to the Insured’s last known address. The notice will set out the reason for cancellation.

Valid reasons for cancellation may include but are not limited to:

a non payment of premium (including if the premium for this Policy is paid by instalments and in the event that the Insured fails to pay one or more instalments whether in full or in part).
Policy Conditions (continued)

In the event that a premium payment is missed the Insurer will write to the Insured notifying them that a payment has been missed and requesting payment by a specific date. If payment is not received by the Insurer by the specific date the Insurer will send a final letter to the Insured requesting payment by a final date which will be set out in the final letter. If payment is not received by the final date the Insurer will cancel the policy with immediate effect. The Insured will be notified in writing if the policy is cancelled;

b Continued failure by the Insured to comply with the terms and conditions of this Policy;

c Failure by the Insured to allow the Insurer to complete a survey (where the Policy has been issued or renewed subject to a survey);

d Failure by the Insured to adhere to, or implement, any risk improvement requirements or conditions required by the Insurer, including any changes required by any survey or claims adjusters report, within a reasonable period of time as advised by the Insurer;

e Material change in the risk or the sums insured;

f Failure by the Insured to co-operate with the Insurer or provide the Insurer with information or documentation reasonably required by the Insurer and the lack of co-operation by the Insured affects the Insurers ability to process a claim or defend the Insurers interests or make risk based underwriting decisions. In this case the Insurer will write to the Insured giving notice of cancellation of this Policy in the event that the Insured does not cooperate to provide the information or documentation reasonably required within a period of 14 days starting from the date provided in the letter; or

g The Insureds use of threatening, abusive or intimidating behaviour or inappropriate language or bullying of the Insurers staff or suppliers.

If the Insurer does cancel this Policy, provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current Period of Insurance the Insured will be entitled to a proportionate return of the premium in respect of the unexpired Period of Insurance. The amount of premium refund payable will be reduced by all unpaid premiums or unpaid premium instalments due.

7 Claims – Action by the Insured

The Insured shall in the event of any Injury, Damage or consequential loss as a result of which a claim is or may be made under this Policy or any Section of it, and again upon the receipt by the Insured in writing of any notice of any claim or legal proceeding,

No claim under this Policy shall be payable unless the terms of this Policy Condition have been complied with and any payment on account of a claim already made shall be repaid to the Insurer.

8 Claims – The Rights of the Insurer
In respect of Damage for which a claim is made the Insurer and any person authorised by the Insurer may without incurring any liability or diminishing any of the Insurer’s rights under this Policy, enter premises where such Damage has occurred and take possession of or require to be delivered to the Insurer any property insured and to deal with such property for all reasonable purposes and in any reasonable manner.

No property may be abandoned to the Insurer or deemed to have been abandoned whether taken possession of by the Insurer or not.

The Insurer will not pay for any claim unless the terms of this Policy Condition have been complied with.

9 Subrogation
Any claimant under this Policy shall at the Insurer’s request and expense take or permit to be taken all necessary steps for enforcing rights against any other party in the name of the Insured before or after the Insurer makes any payment.

The Insurer will not make any further payment in respect of such claim or claims except for costs and expenses which the Insurer has already agreed to bear and which were incurred prior to such payment.

11 Arbitration
If any difference arises as to the amount to be paid under this Policy (liability being otherwise admitted by the Insurer) such difference shall be referred to an arbitrator to be appointed by the Insured and the Insurer in accordance with statutory provisions.

Where any difference is referred to arbitration in accordance with this condition, the making of an award shall be a condition precedent to any right of action against the Insurer.

12 Number of Persons
The premium for this Policy is based on the maximum number of persons engaged in the Business at any one time. The Insured shall notify the Insurer immediately if this number shall change.

13 Rights of Parties
A person or company who was not a party to this Policy has no right under the Contracts (Rights of Third Parties) Act 1999 or any subsequent legislation to enforce any term of this Policy but this does not affect any right or remedy of a third party which exists or is available apart from such Act.

14 Other Insurances
If at the time of Damage, loss or injury, any other insurance has been effected by or on behalf of the Insured covering any of the Property damaged, the Insured’s liabilities or other losses covered by this Policy, the Insurer’s liability under this Policy shall be limited to the rateable proportion of such Damage, liabilities or loss as the Insurer would have had to pay if the other insurance policy did not contain:

a any provision applying average or any similar provision which would reduce the amount payable on the claim to reflect underinsurance; and
b any provision which excludes it from ranking concurrently with this Policy or any Section of it either in whole or in part or from contributing rateably.

15 Conditions Precedent
If the Insured does not comply with any part of any condition which makes payment of a claim conditional upon compliance with it (a condition precedent), the Insurer will not pay for any claim, except that where the condition concerned:

31. Any dispute relating to the eviction of persons from the Insured’s Property or the repair of damage to the Insured’s Property from persons who have been evicted.
Section 6 – Commercial Legal Expenses (continued)

Section Conditions
In addition to the Policy Conditions, the following also apply to this Section.

A General Conditions

1 Arbitration
Any dispute between the Insured Person and the Insurer concerning this Section shall be referred to a single arbitrator who will be either a solicitor or barrister agreed upon by the parties or failing agreement one who is nominated by the President of the appropriate Law Society or by the Chairman of the Bar Council or equivalent professional body within the Geographical Limits.

All the costs of the arbitration shall be met in full by the party against whom the arbitration award is made unless that person made the other an earlier without prejudice offer which was more favourable than the arbitration award. If the arbitration award is not clearly made against one party the arbitrator will have the power to apportion costs. If the arbitration award is made in the Insurer’s favour, the Insured Person’s costs will not be recoverable under this Section. The arbitration award will be final and binding upon both the Insured Person and the Insurer and cannot be the subject of an appeal.

2 Maintenance of Records
It is a condition precedent to the Insurer’s liability to provide cover under this Section that the Insured has kept and maintained reasonable books and records. Where the Insured is a corporate organisation such books and records must have been kept in accordance with the Companies Acts.

3 Disclosure of the Existence of this Section
The Insured Person and the Legal Representative must not reveal the existence of this Section to any other person or entity unless the Insurer has given prior written consent or is ordered to do so by a court.

4 Assignment
This Section may not be assigned by the Insured Person or by the Insured Person’s executors or administrators.

B Claims Process Conditions

1 Notification of Claims
It is a condition precedent to the Insurer’s liability to provide cover under this Section that the Insured Person notifies the Insurer in writing, by the completion of a claim form, or in another way confirmed by the Insurer in writing to the Insured Person

i immediately after the Insured Person becomes, or should have become, aware of any event or circumstance which gives rise to a Claim involving the Insured Person; and

ii immediately following receipt of any letter or other notification of a claim, claim form, summons or other legal process.

If the Insured Person fails to notify the Insurer of such event or circumstance during the same Period of Insurance in which the Insured Person first became aware of it, the Insurer will not provide cover for any Claim arising from that event or circumstance. When such a notification has been given, any subsequent Claim in respect of the event or circumstance notified will be treated as though the Claim had been first notified to the Insurer during the same Period of Insurance in which notification of the original event or circumstance occurred.

Important procedure for employment disputes
If a Claim Form (ET1) is received from an employment tribunal it is a condition precedent to the Insurer’s liability that the Insured must immediately complete a claim form and forward it to the Insurer, to arrive no later than seven (7) days after receipt of the Claim Form (ET1). Response Form (ET3), which should be left blank, must also be sent to the Insurer.

Important procedure for criminal proceedings
If a summons is received by the Insured notifying of criminal proceedings involving the Insured it is a condition precedent to the Insurer’s liability that the Insured must immediately contact the Insurer and forward a copy of the summons to the Insurer, to arrive no later than seven (7) days after receipt of the summons by the Insured.

2 Consent
It is a condition precedent to the liability of the Insurer to provide cover under this Section that the Insured Person first obtain the Insurer’s prior written agreement (“Consent”) to

i provide cover under this Section in respect of the Claim; and

ii incur Legal Expenses; and

iii pay Awards of Compensation, Data Protection Compensation Awards, Jury Service Allowance or Witness Attendance Allowance.
Consent will only be given if the Insured Person can satisfy the Insurer that:

a  there are Reasonable Prospects of a Satisfactory Outcome and

b  in a particular case, it is reasonable for Legal Expenses to be incurred and/or for the Insurer to agree to meet any Awards of Compensation, Data Protection Compensation Awards, Jury Service Allowance or Witness Attendance Allowance to be accepted under this Section.

If the Insurer and the Legal Representative do not agree on whether Reasonable Prospects of a Satisfactory Outcome exist, then the Insurer will seek the opinion of another legally qualified advisor or other expert appropriate to the Claim whom it considers it necessary to consult. If that advisor or expert’s opinion differs from that of the Legal Representative, their opinion shall be substituted for that of the Legal Representative for the purposes of determining whether or not Reasonable Prospects of a Satisfactory Outcome exist.

In all cases the Insured Person will be advised in writing of the granting or refusal of Consent.

3 Dealing with the Claim

If the Insurer grants Consent a Legal Representative will be instructed and will then act in accordance with Claims Process Condition 8.

The Insurer may withdraw Consent previously given at any time if facts become known which would mean that a particular Claim should not have been accepted under the terms of this Section or if there are no longer Reasonable Prospects of a Satisfactory Outcome. Provided there has been full compliance with the Section terms the Insurer agrees to indemnify the Insured Person in respect of Legal Expenses, Jury Service Allowance or Witness Attendance Allowance incurred up to the date when the Insurer notified the Insured Person that Consent had been withdrawn.

If the Insured Person decides to proceed with the pursuit or defence of a Claim to which the Insurer has refused to give Consent and is subsequently successful the Insurer will, subject to the terms, exclusions and conditions of this Section, pay Legal Expenses, Jury Service Allowance or Witness Attendance Allowance as if the Insurer had given Consent at the outset.

4 Duty of the Insured Person to Minimise Claims

In respect of any Claim for which Consent has been granted under the Section the Insured Person must take all reasonable measures to minimise the Legal Expenses, Awards of Compensation, Data Protection Compensation Awards, Jury Service Allowance or Witness Attendance Allowance incurred and any other matters which may affect the Insurer’s liability in respect of any Claim under this Section.

If the Insured Person fails to comply with this term then the Insurer will have the right to adjust the Insurer’s liability under this Section to the extent that the Claim would have cost the Insurer had the Insured Person complied with this term.

5 The Insurer’s Right to Settle Claims

The Insurer shall have the right to take over and conduct in the name of the Insured Person the pursuit or defence of any Claim at any time and can settle any Claim on behalf of the Insured Person on such terms as the Insurer deem appropriate. At its absolute discretion, the Insurer may decide to settle the Claim by paying the Insured Person the amount of damages claimed by, or against, the Insured Person instead of indemnifying the Insured Person for Legal Expenses, Awards of Compensation, Data Protection Compensation Awards or Witness Attendance Allowance. Where the Insurer exercises this discretion the Insurer will cease to be liable for any further Legal Expenses, Awards of Compensation, Data Protection Compensation Awards or Witness Attendance Allowance in respect of that Claim.

6 Insolvency of the Insured Person

During the course of any Claim to which the Insurer has given Consent, the Insurer has the right to withdraw that Consent immediately if the Insured Person

a  becomes insolvent; or

b  enters into liquidation; or
c  makes an arrangement with creditors; or
d  enters into a deed of arrangement; or
e  has part or all of their affairs assets or property placed in the care or control of a receiver or a liquidator; or
f  has an administration order over their affairs assets or property.

Provided there has been full compliance with the Section terms the Insurer agrees to indemnify the Insured Person in respect of Legal Expenses, Jury Service Allowance and Witness Attendance Allowance incurred up to the date when the Insurer notified the Insured Person that Consent had been withdrawn.
Section 6 – Commercial Legal Expenses (continued)

7 Appeal Procedure
If, following legal proceedings to which the Insurer has given Consent, the Insured Person wishes to appeal against the judgment or decision of a court or tribunal, it is a condition precedent to the Insurer’s liability to provide cover under this Section that the grounds of such appeal must be submitted to the Insurer in good time and by secure means so that the Insurer may consider whether there are Reasonable Prospects of a Satisfactory Outcome in respect of the appeal and if so whether to Consent to such an appeal. The terms of Claims Process Condition 2 shall apply to any appeal which the Insured Person wishes to make.

If the Insurer wishes to appeal against the judgement or decision of a court or tribunal, the Insured Person will co-operate fully in an appeal. If the Insured Person fails to do so, any Legal Expenses, Awards of Compensation, Data Protection Compensation Awards, Jury Service Allowance or Witness Attendance Allowance paid for by the Insurer must be repaid.

8 Legal Proceedings
a Freedom to choose a Legal Representative
For any Claim where the Insurer may be liable to pay Awards of Compensation in respect of employment disputes or Data Protection Compensation Awards, the Insurer will choose the Legal Representative.

For any other Claim the Insurer will choose the Legal Representative at any time before the Insurer agrees that legal proceedings need to be issued or defended. The Insured Person can only choose a Legal Representative if the Insurer agrees that legal proceedings need to be issued or defended or if a conflict of interest arises which means that the Legal Representative originally chosen by the Insurer cannot act for the Insured Person. The Insured Person must send the name and address of the Insured Person’s chosen Legal Representative to the Insurer. If the Insurer agrees to appoint a Legal Representative that the Insured Person chooses, that Legal Representative will be appointed on the same terms as the Insurer would have appointed its chosen Legal Representative, except where the Insurer and the Legal Representative reach a different agreement.

In respect of any Claim for which the Insurer has granted Consent, the Legal Representative will be appointed in the name of and on behalf of the Insured Person to act for the Insured Person in accordance with the terms of this Section.

In agreeing to the selection of a Legal Representative the Insured Person will comply with Claims Process Condition 4.

The Insurer’s liability to provide cover under this Section will cease immediately with no liability to indemnify the Insured Person in any respect unless in its absolute discretion the Insurer agrees to another Legal Representative being appointed to continue acting for the Insured Person under the terms of this Section, if:

i due to any conduct or failure to act by the Insured Person, the Legal Representative reasonably refuses to continue acting for the Insured Person, or

ii the Insured Person dismisses the Legal Representative against the advice of the Legal Representative and without the Insurer’s prior written agreement.

b Disclosures to the Legal Representative
It is a condition precedent to the Insurer’s liability to provide cover under this Section that the Insured Person must give the Legal Representative all possible help and information including a complete and truthful account of the facts of the case; and

ii provide the Legal Representative with all relevant documentary or other evidence in the Insured Person’s possession; and

iii provide, obtain or execute all documents considered necessary by the Legal Representative and attend meetings or conferences as requested.

c Access to Information
The Insurer is entitled to receive from the Legal Representative any information, document or advice in connection with any Claim, even if privileged. On request the Insured Person will give to the Legal Representative any instructions necessary to secure the required access.

d Duties of the Insured Person and Legal Representative in relation to any Claim
i It is a condition precedent to the Insurer’s liability to provide cover under this Section that the Insured Person, or on their behalf, the Legal Representative immediately notify the Insurer in writing of any information as soon as it is received which may affect the Insurer’s opinion on the Reasonable Prospects of a Satisfactory Outcome of the Claim.

ii The Insured Person, or on their behalf the Legal Representative must inform the Insurer in writing as soon as any offer to settle a Claim is received or made. The Insured Person or the Legal Representative must not under any circumstances enter into any agreement to settle without the Insurer’s prior written consent. If the
Conduct of the Claim

It is a condition precedent to the Insurer’s continuing liability to provide cover under this Section that the Insured Person

i does not withdraw from a Claim or dismiss the Legal Representative without the written agreement of the Insurer and the Legal Representative; and

ii co-operates fully with the Legal Representative and the Insurer in the conduct of the Claim; and

iii follows the advice of the Legal Representative.

If the Insured Person fails to comply with i, ii or iii then the Insurer’s liability to provide cover under this Section will cease immediately and the Insurer will not be responsible for the payment of Legal Expenses, Awards of Compensation or Data Protection Compensation Awards and will be entitled to reimbursement of all Legal Expenses already incurred and any Jury Service Allowance or Witness Attendance Allowance already paid in respect of the Claim unless the Insurer agrees to appoint another Legal Representative to continue the Claim.

e Payment of Legal Representative’s Bills

The Insurer shall have the right to settle Legal Expenses at the conclusion of a Claim.

The Insured Person should forward all bills which are received from the Legal Representative relating to the Claim to the Insurer without delay following conclusion of the Claim. If the Insurer requires, the Insured Person must ask the Legal Representative to submit the bill of costs for audit or assessment by the appropriate court or, at the discretion of the Insurer, a law costs draughtsman or other competent party. The Insurer will only pay Legal Expenses that are determined as reasonable by the audit or assessment.

The Insurer may settle a payment of Legal Expenses, Awards of Compensation, Data Protection Compensation Awards, Jury Service Allowance or Witness Attendance Allowance direct with the Legal Representative if it is appropriate for the Insurer to do so. The payment of some Legal Expenses does not imply that all Legal Expenses will be paid on the Insured Person’s behalf.

The Insured Person must not, without the Insurer’s prior written consent, enter into any agreement with the Legal Representative as to the basis of calculation of Legal Expenses. This agreement is normally known as either a conditional fee agreement or a damages based agreement.

Instruction of a Barrister

If, during the course of any Claim (and subject always to compliance with Claims Process Condition 2), the Insured Person or the Legal Representative considers it necessary and wishes to instruct a barrister, the barrister’s name must first be submitted to the Insurer for Consent to the proposed instruction.
Section 6 – Commercial Legal Expenses (continued)

Additional Services
In addition to the indemnity provided by this Section, further services are available to the Insured. The Insured may access these services at any time during the Period of Insurance, although the Insurer will not be liable to the Insured or Insured Person for any Legal Expenses or other costs or expenses, loss or damage incurred as a result of using the services or any advice received from the provider of these services. This is because these services are not provided by the Insurer.

Further, no liability can be accepted for inability to provide any benefits or advice due to breakdown or failure of the telephone network.

There may be an additional charge payable by the Insured or Insured Person for the use of these additional services.

1 Undisputed Debt Recovery Service
The Insured has access to the Undisputed Debt Recovery Service if the Insured has an Undisputed Debt of at least £250 and the legal action to recover that Undisputed Debt can be brought within Great Britain. The Undisputed Debt should be referred to the Undisputed Debt Recovery Service as soon as possible after the amount becomes due and payable.

The Undisputed Debt Recovery Service is provided by an organisation that specialises in the recovery of debts. The organisation providing the Undisputed Debt Recovery Service is not part of the Insurer and does not act on the Insurer’s behalf. The telephone lines are open between the hours of 9.00am and 5.00pm, Monday to Friday (excluding Public Holidays).

Use of the Undisputed Debt Recovery Service by the Insured will be subject to a fee being payable by the Insured to the Undisputed Debt Recovery Service. The fee will be a percentage of the Undisputed Debt. The level of the fee, and the time at which it will be payable by the Insured, will be confirmed to the Insured by the Undisputed Debt Recovery Service when the Undisputed Debt Recovery Service is initially contacted. There may be additional expenses that are necessarily incurred by the Undisputed Debt Recovery Service to recover the Undisputed Debt. These will also be payable by the Insured and will be confirmed by the Undisputed Debt Recovery Service to the Insured at the appropriate time.

This Section does not cover the fee charged by the Undisputed Debt Recovery Service or any expenses incurred in recovering the Undisputed Debt.

If, in the view of the Undisputed Debt Recovery Service and the Insurer, the other party to the Contract submits a viable defence in respect of the Undisputed Debt the Insured must report the matter as a civil Claim in respect of a contract dispute pursuit. The pursuit of the disputed debt will then be handled in accordance with the terms and conditions of this Section.

3  Any Excess will be deducted from the amount payable after the application of all terms and conditions of this Section and the Policy. The Excess applies to each separate Premises.

Automatic Reinstatement

In the absence of written notice by the Insured or the Insurer to the contrary, in consideration of Sums Insured or limits of liability not being reduced by the amount of any claim from the date of the Damage, the Insured will pay the appropriate additional premium due for the period from the date of Damage to expiry of the Period of Insurance, but this shall not apply in respect of theft or attempted theft.
Basis of Settlement Adjustments

Subject to the terms, conditions, exclusions and limits of this Section, in calculating the most the Insurer will pay for any one claim, adjustments shall be made in accordance with the following clauses.

1 Reinstatement (Day One Basis)

a Subject to the Special Conditions set out below, the basis on which the amount payable for Buildings and Contents is to be calculated will be the reinstatement of the Property Damaged. For this purpose “reinstatement” means

i the rebuilding or replacement of Property Damaged which, provided the Insurer’s liability is not increased, may be carried out

• in any manner suitable to the requirements of the Insured

• on another site

ii the repair or restoration of Property Damage in either case to a condition equivalent to, or substantially the same as, but no better or more extensive than its condition when new.

b The Declared Value (shown in brackets below the Sum Insured on the Schedule), having been stated in writing by the Insured, has been used to calculate the premium. “Declared Value” means the assessment by the Insured of the cost of reinstatement of Property Insured arrived at in accordance with paragraph 1ai of the Basis of Settlement Adjustments at the level of costs applying at inception of the Period of Insurance (ignoring inflationary factors which may subsequently operate), together with, to the extent that cover provides, due allowance for

i any additional cost of reinstatement to comply with Public Authorities regulations, bye-laws or stipulations

ii professional fees

iii removal of debris costs.

Reinstatement (Day One Basis) Special Conditions

1 At the inception of each Period of Insurance, the Insured shall notify the Insurer of the Declared Value of Property Insured. In the absence of such declaration the last amount declared by the Insured will be taken as the Declared Value for the new Period of Insurance, appropriately adjusted for Index Linking where applicable.

For the purposes of this Condition, Index Linking shall be calculated in the following manner.

Sums Insured and/or Declared Values will be adjusted to take into account movements in the appropriate index and renewal premiums will be based on the adjusted Sums Insured and/or Declared Values.

For Buildings, the General Building Cost Index issued by the Building Cost Information Service of the Royal Institute of Chartered Surveyors (or some other suitable index the Insurer decides upon) will be used.

For Contents and other Property specifically described in the Schedule (other than Stock), the Retail Price Index (or some other suitable index the Insurer decides upon) will be used.

These changes will continue to be applied between the date of any Damage and the date when replacement or repair has been completed.

2 The Insurer’s liability for the repair or restoration of Property Damaged in part only, shall not exceed the amount which would have been payable if such Property had been wholly destroyed.

3 No payment beyond the amount the Insurer would have paid in the absence of this clause will be made

a unless reinstatement commences and proceeds without unreasonable delay

b until the cost of reinstatement has actually been incurred

c where Property Insured at the time of Damage is covered by any other insurance effected by the Insured, or on behalf of the Insured, which is not on the same basis of reinstatement.
Section 7 – Property Damage (continued)

4 All the terms and conditions of this Section and the Policy shall apply
   a to any claim payable under the provisions of this clause, other than where they are expressly varied by the terms of this clause
   b where claims are payable as if this clause had not been incorporated, except that Sums Insured will be limited to Declared Values.

2 This clause is left intentionally blank

3 This clause is left intentionally blank

4 Public Authorities

Subject to the Public Authorities Special Conditions set out below, cover for Buildings and Contents includes an amount in respect of any additional cost of reinstatement which is incurred solely by reason of the necessity to comply with building or other regulations under or framed in pursuance of any Act of Parliament, with bye-laws of any public authority or to comply with the stipulations of European Union legislation, in consequence of Damage, excluding
   a the cost incurred in complying with such regulations, byelaws or stipulations
      i in respect of Damage occurring prior to the granting of this cover
      ii in respect of Damage not insured by this Section
      iii under which notice has been served upon the Insured before the date of the Damage
      iv in respect of undamaged Property or undamaged portions of Property, other than foundations (unless specifically excluded) of that portion of the Property Damaged
