The Fourth EU Motor Insurance Directive

The Fourth EU Motor Insurance Directive is designed to improve the claims process for EU citizens who are involved in motor accidents in other EU member countries.

The principle requirement is that a claimant should be able to identify the relevant insurer from the Vehicle Registration Mark. This may also help to combat uninsured driving.

In the UK this legislative requirement is met by the ‘Motor Insurance Database’ (MID) which has been designed to provide a record of all insured motor vehicles registered for use on the road.

Do you currently comply with the present UK legislative requirements in respect of supplying vehicle data?  Yes ❑  No ❑

If No, please provide details

We require any additions or vehicle alterations to be notified within five working days of any changes taking place. Various notification methods are available. Please indicate your preferred method from the choices below:

Submission of vehicle details to Allianz (either directly or via your insurance adviser)

- a Allianz website (this is the preferred method) ❑
- b Fax ❑
- c Post ❑
- d Email ❑
- e Manual entry ❑
- f Attended File Transfer Protocol ❑
- g Unattended File Transfer Protocol ❑

If you would like any clarification about the above mentioned transmission methods contact our Helpline on 0345 0731118 (open 8am–6pm Monday to Friday) or visit our MID website at www.allianzmid.co.uk

6. **Is there any additional information or detail which may assist us in assessing the nature of the insurance risk being proposed, and which may influence our decision to accept this insurance, or in setting the terms and premium?**

**IMPORTANT INFORMATION – YOUR DUTY TO MAKE A FAIR PRESENTATION OF THE RISK**

You must make a fair presentation of the risk to us at inception, renewal and variation of your Policy. This means that you must tell us about all facts and circumstances which may be material to the risks covered by your Policy in a clear and accessible manner or give us sufficient information to alert us of the need to make enquiries about such facts or circumstances.

Material facts are those which are likely to influence us in the acceptance of or assessment of the terms or pricing of your Policy. If you are in any doubt as to whether a fact is material, you should tell us about it.

If you fail to make a fair presentation of the risk, we may avoid your Policy (that is treat it as if it had not existed) and refuse to pay any claims where any failure to make a fair presentation is:

   a. deliberate or reckless; or
   b. of such other nature that, if you had told us about a material fact or circumstance, we would not have issued, renewed or varied your Policy.

In all other cases, if you fail to make a fair presentation of the risk, we will not avoid your Policy but we may instead:

   a. reduce proportionately the amount paid or payable on any claim, the proportion for which we are liable being calculated by comparing the premium actually charged as a percentage of the premium which we would have charged had you made a fair presentation (e.g. if we would have charged you double the premium, we will only pay half the amount of any claims under your Policy); and/or
   b. treat your Policy as if it had included such additional terms as we would have imposed had you told us about a material fact or circumstance. Payment of any claim you make will be subject to the application of any such additional terms.

For these reasons it is important that you check all of the facts, statements and information set out in this Risk Details Form or in any other information provided are complete and accurate. You must also make reasonable enquiries to check with anyone you employ in your business that the facts and statements set out in this Risk Details Form or in any other information provided are complete and accurate and that there are no other material facts which you need to disclose.

**IF ANY OF THE FACTS, STATEMENTS AND INFORMATION SET OUT IN THIS PROPOSAL ARE INCOMPLETE OR INACCURATE, YOU OR YOUR INSURANCE ADVISOR MUST CONTACT US IMMEDIATELY. FAILURE TO DO SO COULD INVALIDATE YOUR POLICY OR LEAD TO A CLAIM NOT BEING PAID OR NOT BEING PAID IN FULL.**

Employers Liability Tracing Office

If your policy provides Employers Liability cover information relating to your insurance policy will be provided to the Employers Liability Tracing Office (the "ELTO") and added to an electronic database, (the "Database") in a format set out by the Employers’ Liability Insurance Disclosure by Insurers Instrument 2010.

The Database assists individual consumer claimants who have suffered an employment related injury or disease arising out of their course of employment in the UK whilst working for employers carrying on, or who carried on, business in the UK and as a result are covered by the employers’ liability insurance of their employers, (the "Claimants"):

I. to identify which insurer (or insurers) was (or were) providing employers’ liability cover during the relevant periods of employment; and

II. to identify the relevant employers’ liability insurance policies.

The Database and the data stored on it may be accessed and used by the Claimants, their appointed representatives, insurers with potential liability for UK commercial lines employers' liability insurance cover and any other persons or entities permitted by law.

The Database will be managed by the ELTO and further information can be found on the ELTO website www.elto.org.uk

Motor Insurance Database

If your policy provides Motor cover, information relating to your insurance policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers’ Bureau ("MIB"). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

I. Electronic Licensing

II. Continuous Insurance Enforcement;

III. Law enforcement (prevention, detection, apprehension and or prosecution of offenders)

IV. The provision of government services and or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and or the MIB may search the MID to obtain relevant information. Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at www.askmid.com
