Policy Overview

This is a Policy Overview only and does not contain full terms and conditions of the contract of insurance. Some covers are optional and will only apply if you have selected them. Full terms and conditions can be found in the policy documents, a copy of which is available on request.

What is Professional Indemnity Insurance?

Professional Indemnity insurance covers your legal liability arising from your professional services in the event that a third party claims to have suffered a loss as a result of your professional negligence.

Professionals may owe a duty of care to anybody who might reasonably rely upon the service or advice they have provided. In today's commercial world, clients expect high standards of service and are more inclined to resort to litigation when such standards have not been met.

Professional Indemnity insurance is designed to provide protection against such claims, providing an indemnity for damages which are awarded against your business, for legal costs in defending the claim and for costs that may be awarded against you subject to the policy terms and conditions.

Any business or person who provides services such as advice, design, or offers their skills or knowledge services in a professional category should consider Professional Indemnity insurance.

This Professional Indemnity insurance Policy is underwritten by Allianz Insurance plc.

What is the policy duration?

This policy has a 12 month period of insurance (unless shown differently on your policy schedule), and is annually renewable. Start and end dates of the policy are detailed in the policy schedule.

How do I cancel the contract?

You have the right to cancel the policy and receive a return of premium paid, less an administration charge of £50 and an amount representing the cover you have received to date.

This is subject to certain terms and conditions, full details of which can be found in the policy wording. To cancel the policy, please contact the insurance adviser who arranged the policy.

How do I make a complaint?

Allianz aim to get it right, first time every time. If we make a mistake we will try to put it right promptly.

Allianz will always confirm to you receipt of your complaint within 5 working days and do our best to resolve it within 4 weeks. If we cannot we will let you know when an answer may be expected.

If we have not resolved the situation within 8 weeks we will provide you with information about the Financial Ombudsman Service.

If you have a complaint about anything other than the sale of the policy, please contact our Customer Satisfaction Manager at:

Your Obligations

You must make a fair presentation of the risk at inception, renewal and variation of the Policy.

The premium is to be paid on request. Please speak to your insurance adviser about the options available for the payment of premium.

Please periodically review the policy documentation to make sure that it meets and continues to meet your needs and that you understand its terms, conditions, limits and exclusions. If you wish to make a change or if there is anything you do not understand please contact your insurance adviser.

Please tell your insurance adviser as soon as reasonably possible if there are any changes to your circumstances which could affect your insurance. If your circumstances change and you do not tell your insurance adviser, you may find that you are not covered if you need to claim.

You must tell us as soon as you can about any claim or incident that may lead to a claim. You or anyone claiming under this policy must not admit fault or responsibility, or pay, offer or agree to pay any money or settle any claim without our permission.
