

COMPUTER

quick guide

Our Computer proposition is designed to protect your client's computers, supporting equipment, software, data and licence agreements. It covers the cost of repair or replacement following loss, damage or corruption as a result of operator error, faulty workmanship, breakdown, or even data corruption as a result of a cyber attack.

¹ Please refer to the policy wording for all standard extensions and further details.

For Intermediary Use

This document should be used for intermediary reference only, as it does not detail the conditions, limitations or exclusions of the cover. Please see the policy wording or proposition brochure for further details.

COVER

Computer cover can be bought as either a standalone policy via your local Engineering branch, or as an optional section within Commercial Select, our property and casualty proposition for mid-corporate customers. Cover¹ is provided for:

Material Damage (core)

All risks cover for the loss, theft, damage or breakdown of computers and supporting equipment.

Key features of this cover include:

- **EU and worldwide transit** – limit of indemnity (LOI) up to £100,000 for the EU, and up to £50,000 anywhere else in the world
- **Breakdown for non-maintained equipment** – up to £10,000 LOI
- **Green trade up** – limit increased by 10% if computers/equipment are replaced with greener items
- **Additional equipment** – up to 25% of the limit agreed for computer equipment, or £350,000 LOI (whichever is the lesser).

Cover is provided on a reinstatement basis.

Computer Media (optional)

All risks cover for the loss, damage or corruption of software, data, and data carrying materials.

We will pay the necessary costs incurred to recompile data or software programs (including the employment of a specialist company or consultant), or the repurchasing of software.

In addition, we will cover:

- **Research and development costs** – up to 20% of the limit agreed for computer media, or £25,000 LOI (whichever is the lesser).

Additional Expenditure (optional)

All risks cover for any reasonable costs incurred preventing or minimising the impact on the business following a loss, such as overtime or rental fees for temporary premises. This cover includes:

- **Loss of interest** – up to 10% of the limit agreed for additional expenditure.

1st Party Cyber Liability – E-Risks (optional)

1st party cyber liability cover to seek, destroy and recompile own data after a virus or hacking incident.

Key features of this cover include:

- **Seek, destroy and protect** – up to £10,000 LOI
- **Data/software recompilation** – up to £100,000 LOI
- **Increased cost of working** – following an attack to minimise disruption to business.

This cover is included as standard within the Commercial Select Computer section when both the Computer Media and Additional Expenditure options are selected.

Business Interruption (optional)

All risks cover for financial loss (gross profit or revenue).

2 Mobile phones that are used solely for voice calls and sending/receiving texts are not covered by this policy.
