IMPORTANT INFORMATION – YOUR DUTY TO MAKE A FAIR PRESENTATION OF THE RISK

You must make a fair presentation of the risk to us at inception, renewal and variation of your Policy. This means that you must tell us about all facts and circumstances which may be material to the risks covered by your Policy in a clear and accessible manner or give us sufficient information to alert us of the need to make enquiries about such facts or circumstances.

Material facts are those which are likely to influence us in the acceptance of or assessment of the terms or pricing of your Policy. If you are in any doubt as to whether a fact is material, you should tell us about it.

If you fail to make a fair presentation of the risk, we may avoid your Policy (that is treat it as if it had not existed) and refuse to pay any claims where any failure to make a fair presentation is:

- a) deliberate or reckless; or
- b) of such other nature that, if you had told us about a material fact or circumstance, we would not have issued, renewed or varied your Policy.

In all other cases, if you fail to make a fair presentation of the risk, we will not avoid your Policy but we may instead:

- a) reduce proportionately the amount paid or payable on any claim, the proportion for which we are liable being calculated by comparing the premium actually charged as a percentage of the premium which we would have charged had you made a fair presentation (e.g. if we would have charged you double the premium, we will only pay half the amount of any claims under your Policy); and/or
- b) treat your Policy as if it had included such additional terms as we would have imposed had you told us about a material fact or circumstance. Payment of any claim you make will be subject to the application of any such additional terms.

For these reasons it is important that you check all of the facts, statements and information set out in this proposal are complete and accurate. You must also make reasonable enquiries to check with anyone you employ in your business that the facts and statements set out in this form are complete and accurate.

IF ANY OF THE FACTS, STATEMENTS AND INFORMATION SET OUT IN THIS PROPOSAL ARE INCOMPLETE OR INACCURATE, YOU OR YOUR INSURANCE ADVISOR MUST CONTACT US IMMEDIATELY. FAILURE TO DO SO COULD INVALIDATE YOUR POLICY OR LEAD TO A CLAIM NOT BEING PAID

Declaration

I/we declare that:

- 1 I/we have read this proposal and understand that I/we are under a duty to make a fair presentation of the risk and that failure to do so could result in my/our Policy being invalidated and/or a claim not being paid.
- 2 the facts, statements and information contained within this proposal, whether provided by me/us or by others on my/our behalf, are true and complete.
- 3 any facts, statements and information which are not contained within this proposal but which have been provided to Allianz separately by me/us or by others on my/our behalf are true and complete.
- 4 I/we have declared all material facts and circumstances which may affect the risk being accepted by Allianz under this Policy even if Allianz has not asked me/us any questions about such facts.
- 5 I/we have made all reasonable enquiries of anyone employed by me/us to ensure that all facts, statements and information provided to Allianz are accurate and correct.
- 6 I/We have read the Fair Processing Notice and the Consent for Special Categories of Personal Data contained within this proposal of this proposal and consent to data being used for the purposes specified.
