IMPORTANT INFORMATION – YOUR DUTY TO MAKE A FAIR PRESENTATION OF THE RISK

You must make a fair presentation of the risk to us at inception, renewal and variation of your Policy. This means that you must tell us about all facts and circumstances which may be material to the risks covered by your Policy in a clear and accessible manner or give us sufficient information to alert us of the need to make enquiries about such facts or circumstances.

Material facts are those which are likely to influence us in the acceptance of or assessment of the terms or pricing of your Policy. If you are in any doubt as to whether a fact is material, you should tell us about it.

If you fail to make a fair presentation of the risk, we may avoid your Policy (that is treat it as if it had not existed) and refuse to pay any claims where any failure to make a fair presentation is:

- a deliberate or reckless; or
- b of such other nature that, if you had told us about a material fact or circumstance, we would not have issued, renewed or varied your Policy.

In all other cases, if you fail to make a fair presentation of the risk, we will not avoid your Policy but we may instead:

- a reduce proportionately the amount paid or payable on any claim, the proportion for which we are liable being calculated by comparing the premium actually charged as a percentage of the premium which we would have charged had you made a fair presentation (e.g. if we would have charged you double the premium, we will only pay half the amount of any claims under your Policy) and/or
- b treat your Policy as if it had included such additional terms as we would have imposed had you told us about a material fact or circumstance. Payment of any claim you make will be subject to the application of any such additional terms.

For these reasons it is important that you check all of the facts, statements and information set out in this Risk Details Form or in any other information provided are complete and accurate. You must also make reasonable enquiries to check with anyone you employ in your business that the facts and statements set out in this Risk Details Form or in any other information provided are complete and accurate and that there are no other material facts which you need to disclose.

IF ANY OF THE FACTS, STATEMENTS AND INFORMATION SET OUT IN THIS PROPOSAL ARE INCOMPLETE OR INACCURATE, YOU OR YOUR INSURANCE ADVISOR MUST CONTACT US IMMEDIATELY. FAILURE TO DO SO COULD INVALIDATE YOUR POLICY OR LEAD TO A CLAIM NOT BEING PAID OR NOT BEING PAID IN FULL

Declaration

1 I/We declare that to the best of my/our knowledge and belief:

- A the above statements and particulars and particulars, whether written by me/us or by others on my/our behalf are true and complete;
- B any statement or particulars which have been given separately by me/us or by others on my/our behalf are true and complete; and
- C I/we have not withheld any material fact*.

* Material facts are those facts are likely to influence us in the acceptance or assessment of this proposal and it is essential that you disclose them. If you are in doubt about whether a fact is material, you should disclose it, since failure to do so could invalidate your policy.

2 I/we wish to modify the above statements in the following respects:

3 I/We agree that this proposal and declaration and any particulars given separately shall be the basis of the contract between Allianz Insurance plc and myself/ourselves.

4 I/We agree to accept the Allianz Insurance plc standard form of policy for this type of insurance.

5 I/We understand that Allianz Insurance plc reserve the right to decline any proposal.

6 I/We understand that Insurers share information with each other, credit reference agencies and other information agencies with regard to credit agreements, policies and claims, primarily to help assess risks, handle claims and prevent fraud. I/we consent to this.

7 I/we have read the Fair Processing Notice and the Consent for Special Categories of Personal Data contained within this proposal and agree to data being used for the purposes specified.

The Database assists individual consumer claimants who have suffered an employment related injury or disease arising out of their course of employment in the UK whilst working for employers carrying on, or who carried on, business in the UK and as a result are covered by the employers' liability insurance of their employers, (the "Claimants"):

- I. to identify which insurer (or insurers) was (or were) providing employers' liability cover during the relevant periods of employment; and
- II. to identify the relevant employers' liability insurance policies.

The Database and the data stored on it may be accessed and used by the Claimants, their appointed representatives, insurers with potential liability for UK commercial lines employers' liability insurance cover and any other persons or entities permitted by law.

The Database will be managed by the ELTO and further information can be found on the ELTO website www.elto.org.uk

Motor Insurance Database

If your policy provides Motor cover, information relating to your insurance policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers' Bureau ("MIB"). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- I. Electronic Licensing
- II. Continuous Insurance Enforcement;

- IV. The provision of government services and or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and or the MIB may search the MID to obtain relevant information. Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at www.askmid.com
