## Employers Liability Tracing Office (ELTO)

Allianz Insurance plc is a member of ELTO, a UK based independent industry body whose aim is to assist claimants finding the insurer of their former employer when seeking to claim compensation for a disease/injury caused at work. The information will be stored on a central database which can be searched by the public.

If you have selected Employers Liability insurance for any of your UK registered and based companies, in addition to the name and address of each employer it is also necessary for you to supply your Employers Reference Number (ERN). It is a unique set of letters and numbers used to identify a firm. It is often referred to as an employer PAYE reference. In a minority of cases a business may be ERN exempt e.g. where the employer pays all their employees below the PAYE current threshold. For more information on ERNs and the supply of data to ELTO please visit <http://www.allianz.co.uk/commercial/elto.htm>

Please note that it is not necessary to provide ERN information for insured companies registered and based outside of the UK.
