Limit of Indemnity

The most the Insurer will pay for any one Accident or series of Accidents arising from one occurrence of loss destruction or damage is

- A** the Total Sum Insured, or for each item its individual Sum Insured, or any other Limit of Liability in this Section whichever is the less at the time of loss destruction or damage
- B** the amount of the Sum Insured or Limit of Liability remaining after deduction for any other loss destruction or damage occurring during the same Period of Insurance, unless the Insurer agrees to reinstate any such Sum Insured or Limit of Liability.

Irrespective of the number of insured parties the total liability of the Insurer to all of the insured parties collectively in respect of the insurance provided by this Section shall not exceed the Total Sum Insured or in respect of any item its Sum Insured or any other stated Limit of Liability.

Any payment or payments by the Insurer to any one or more insured party shall reduce to the extent of that payment the liability of the Insurer to all parties arising from any one Accident giving rise to a claim under this Section.

Basis of Settlement Adjustments

In calculating the most the Insurer will pay for any one occurrence, adjustments shall be made in accordance with the following clauses.

1 Underinsurance (Average)

The Sums Insured by

- a any items of Property Insured under Cover One Options A or B, where the Reinstatement (Day One Basis) clause applies are declared to be separately subject to Underinsurance (Average) as described in Special Condition 2 of such clause
- b any items of Property Insured under Cover One Options A or B, where the Standard Reinstatement Basis clause applies, are declared to be separately subject to Underinsurance (Average) as described in Special Condition 3 of such clause.

2 Contribution and Underinsurance (Average)

If at the time of loss destruction or damage any other insurance has been effected by or on behalf of the Insured covering any of the Property Insured lost destroyed or damaged, the Insurer's liability under this Section shall be limited to the Insurer's rateable proportion of such loss destruction or damage.

If such other insurance is subject to Underinsurance (Average), this Section if not already subject to Underinsurance (Average) shall be subject to Underinsurance (Average) in like manner.

If such other insurance is subject to any provision which excludes it from ranking concurrently with this Section, either in whole or in part, or from contributing rateably, the liability of the Insurer under this Section shall be limited to that proportion of the loss destruction or damage which the Sum Insured for this Section bears to the value of the Property Insured.

3 Reinstatement (Day One Basis)

- A The Reinstatement (Day One Basis) clause applies where a Declared Value is specified in the Schedule for Computer Equipment or Auxiliary Equipment, and subject to the Special Conditions set out below, the basis on which the amount payable, is to be calculated will be the reinstatement of the Property Insured lost, destroyed or damaged.

For this purpose "reinstatement" means the carrying out of the work mentioned below, namely:

- i where property is lost or destroyed, its replacement by similar property in a condition equal to but not better or more extensive than its condition when new
- ii where property is damaged, the repair of the damage and the restoration of the damaged portion of the Property Insured to a condition substantially the same as but not better or more extensive than its condition when new

In the event that the Property Insured has suffered loss, destruction or damage to the extent that repair is impractical and replacement by similar property in a condition equal to but not better or more extensive than when new is impossible then the Insured may replace repair or restore the Property Insured with equivalent property which employs current technology (or failing that having the nearest higher performance and/or capacity to the item lost or damaged) and replacement repair or restoration with such property for the purposes of this Section shall not be regarded as being better or more extensive than when new.

Cover also extends to include the cost of replacement or modification of undamaged Computer Equipment insofar as it is necessary to adapt it to operate in conjunction with lost destroyed or damaged Property Insured which has been replaced repaired or restored

Provided that

- a** the total liability of the Insurer is not increased beyond the amount that would otherwise have been payable for the replacement repair or restoration of the property lost destroyed or damaged in its original form
 - b** the Insurer shall be liable only for the amount sufficient to enable the Insured to resume operations in substantially the same manner as before the loss, destruction or damage
- B** The Declared Value (shown in brackets below the Sum Insured), having been stated in writing by the Insured, has been used to calculate the premium.

“Declared Value” means the assessment by the Insured of the cost of reinstatement of Property Insured arrived at in accordance with paragraph Ai at the level of costs applying at inception of the Period of Insurance (ignoring inflationary factors which may subsequently operate), together with, to the extent that cover provides, due allowance for

- i** any additional cost of reinstatement to comply with Public Authorities regulations, bye-laws or stipulations
 - ii** professional fees
 - iii** removal of debris costs.

Special Conditions

- 1** At inception of each Period of Insurance, the Insured shall notify the Insurer of the Declared Value of Property Insured. In the absence of such declaration the last amount declared by the Insured will be taken as the Declared Value for the new Period of Insurance, appropriately adjusted if Index Linking applies.
- 2** If at the time of loss destruction or damage the Declared Value of the Property Insured is less than the cost of reinstatement (as defined in paragraph A i) at inception of the Period of Insurance, the amount payable by the Insurer will be proportionately reduced.
- 3** The Insurer’s liability for the repair or restoration of the Property Insured damaged in part only, shall not exceed the amount which would have been payable if such Property Insured had been wholly destroyed.
- 4** No payment beyond the amount the Insurer would have paid in the absence of this clause will be made
 - a** unless reinstatement commences and proceeds without unreasonable delay
 - b** until the cost of reinstatement has actually been incurred
 - c** where Property Insured at the time of loss or destruction or damage is covered by any other insurance effected by the Insured, or on behalf of the Insured, which is not on the same basis of reinstatement.
- 5** All the terms and conditions of this Section and the Policy shall apply
 - a** to any claim payable under the provisions of this clause, other than where they are expressly varied by the terms of this clause
 - b** where claims are payable as if this clause had not been incorporated, except that Sums Insured will be limited to 115% of Declared Values.

4 Standard Reinstatement Basis

Where a Declared Value is not specified in the Schedule for Computer Equipment or Auxiliary Equipment, then the basis on which the amount payable, for Computer Equipment or Auxiliary Equipment, is to be calculated will be the reinstatement of the Property Insured lost, destroyed or damaged subject to the Special Conditions set out below.

For this purpose “reinstatement” means

- i the rebuilding or replacement of Property Insured lost or destroyed which, provided the Insurer’s liability is not increased, may be carried out
 - a in any manner suitable to the requirements of the Insured
 - b on another site
 - ii the repair or restoration of Property Insured damaged
- in either case to a condition equivalent to, or substantially the same as, but no better or more extensive than its condition when new.

In the event that the Property Insured has suffered loss, destruction or damage to the extent that repair is impractical and replacement by similar property in a condition equal to but not better or more extensive than when new is impossible then the Insured may replace repair or restore the Property Insured with equivalent property which employs current technology (or failing that having the nearest higher performance and/or capacity to the item lost or damaged) and replacement repair or restoration with such property for the purposes of this Section shall not be regarded as being better or more extensive than when new.

Cover also extends to include the cost of replacement or modification of undamaged Computer Equipment insofar as it is necessary to adapt it to operate in conjunction with lost destroyed or damaged Property Insured which has been replaced repaired or restored

Provided that

- a the total liability of the Insurer is not increased beyond the amount that would otherwise have been payable for the replacement repair or restoration of the Property Insured lost destroyed or damaged in its original form
- b the Insurer shall be liable only for the amount sufficient to enable the Insured to resume operations in substantially the same manner as before the loss, destruction or damage

Special Conditions

- 1 The Insurer’s liability for the repair or restoration of Property Insured damaged in part only, shall not exceed the amount which would have been payable if such Property Insured had been wholly destroyed.
- 2 No payment beyond the amount the Insurer would have paid in the absence of this clause will be made
 - a unless reinstatement commences and proceeds without unreasonable delay
 - b until the cost of reinstatement has actually been incurred
 - c where Property Insured at the time of loss or destruction or damage is covered by any other insurance effected by the Insured, or on behalf of the Insured, which is not on the same basis of reinstatement.
- 3 Each item insured under this clause is declared to be separately subject to the following Underinsurance (Average) condition namely:

If, at the time of loss, destruction or damage, the Sum Insured represents less than 85% of the full reinstatement cost of the property covered within such Sum Insured, the Insurer shall pay only for that proportion of any loss, destruction or damage which the Sum Insured bears to such cost.

- 4 Where by reason of any of the above Special Conditions no payment is to be made beyond the amount which would have been payable under this Section if this clause had not been incorporated therein, the terms and conditions of this Section, including any Underinsurance (Average) condition, shall apply as if this clause had not been incorporated.

5 Public Authorities

Subject to the Special Conditions set out below, cover for Property Insured includes an amount in respect of any additional cost of reinstatement which is incurred solely by reason of the necessity to comply with building or other regulations under or framed in pursuance of any Act of Parliament, with bye-laws of any public authority or to comply with the stipulations of European Union legislation, in consequence of loss destruction or damage, excluding

Special Conditions

- 2 If the liability of the Insurer is reduced by the application of any of their terms and conditions of this Section or the Policy (other than as a result of this clause) the liability of the Insurer under this clause will be reduced in like proportion.
