Basis of Settlement

The Insurer will pay the Insured, in respect of each item covered, the amount of their claim for Business Interruption, provided that at the time of any Event

- A there is an insurance in force covering the interest of the Insured in the property at the Premises against such Event and that
 - i payment has been made or liability has been admitted for payment, or
 - ii payment would have been made or liability would have been admitted for payment but for the operation of a proviso in such insurance excluding liability for claims below a specified amount
- B the most the Insurer will pay for any one claim is
 - i 133 1/3% of the Estimated Gross Rent
 - ii for any other item, 100% of the Sum Insured or any other limit of liability in this Section
 - iii in total the sum of 133 1/3% of the Estimated Gross Rent and 100% of the Sums Insured or limits of liability for any other items.

Loss of Gross Rent means the amount by which the Gross Rent during the Indemnity Period falls short of the Standard Gross Rent.

Basis of Settlement Adjustments

The Insurer will not pay the Insured for

- A Increase in Cost of Working exceeding the amount of loss of Gross Rent thereby avoided
- B any amounts saved during the Indemnity Period in respect of any of the charges and expenses of the Business payable out of Gross Rent that may cease or be reduced.

In calculating the amounts the Insurer will pay the Insured as indemnity, adjustments shall be made in accordance with the following clauses.

2 Departmental Trading

If the Business is conducted in departments, the independent trading results of which can be ascertained, the Basis of Settlement for Estimated Gross Rent shall apply separately to each department affected.

3 Trends and Variations

Adjustments shall be made to the figures representing the Standard Gross Rent that may be necessary to provide for the trend of the Business, and for variations in or other circumstances affecting the Business, either before or after the Event, and which would have affected the Business had the Event not occurred, so that the adjusted figures represent as near as reasonably practicable results which but for the Event would have been obtained during the relative period after the Event.

4 New Business

If the Business is in its first year of trading during the first Period of Insurance, and an Event occurs before completion of such first Period of Insurance, Standard Gross Rent shall mean the following.

Standard Gross Rent – the proportional equivalent, for the period equal to the Indemnity Period, of the Gross Rent realised during the period between the date of commencement of the Business and the date of the Event.

6 Value Added Tax

All terms in this Section shall be exclusive of value added tax to the extent that the Insured are accountable to the tax authorities for such tax.

7 Current Cost Accounting

For the purposes of this Section, any adjustment implemented in current cost accounting shall be disregarded.

8 Payments on Account

The Insurer will make payments on account during the Indemnity Period, if the Insured so request, subject to any necessary adjustment at the end of the Indemnity Period.

9 Claims Preparation Expenses

Cover extends to include the necessary and reasonable costs, expenses and charges incurred by the Insured in producing and certifying any particulars or details required by the Insurer in connection with any claim under this Section and which are incurred with the consent of the Insurer and for which the Insurer has admitted liability, provided that

- a** due to the Business being wound up or carried on by a liquidator or receiver or permanently discontinued
- b** in respect of which the interest of the Insured ceases other than by death
- c** in respect of the risks of subsidence, ground heave or landslip where any demolition, construction, ground works or excavation work is being carried out on any adjoining site
- d** to the facts or matters set out in the Schedule or otherwise comprising the risk presentation made by the Insured to the Insurer at inception, renewal or variation of the Policy

which materially increases the risk of an Event and any other loss or expenditure as insured by this Section.

Upon being notified of any such alteration, the Insurer may, at its absolute discretion

- a** continue to provide cover under this Section on the same terms
- b** restrict the cover provided by this Section
- c** impose additional terms
- d** alter the premium
- e** cancel this Section and the Policy.

If the Insured fails to notify the Insurer of any such alteration, the Insurer may

- a** treat this Section and the Policy as if it had come to an end as at the date of the alteration of the risk, returning a proportionate amount of the premium for the unexpired Period of Insurance, if the Insurer would have cancelled this Section and the Policy had it known of the increase in risk
- b** treat this Section and the Policy as if it had contained such terms (other than relating to premium) or other restrictions (if any) from the date of the alteration in risk as the Insurer would have applied had it known of the increase in risk
- c** reduce proportionately the amount paid or payable on any claim, the proportion for which the Insurer is liable being calculated by comparing the premium actually charged as a percentage of the premium which the Insurer would have charged had it known of the increase in risk.

2 Additional Claims Conditions

In the event of any Event in consequence of which the Insured make or may make a claim under this Section, the Insured shall at their own expense deliver to the Insurer

- A within 28 days of its happening, full details of Business Interruption caused by riot, civil commotion, strikers, locked-out workers, persons taking part in labour disturbances, malicious persons or theft
- B not later than 30 days after expiry of the Indemnity period, or such further time that the Insurer may allow, full information in writing of the particulars of the claim, together with details of all other policies covering property used by the Insured at the Premises for the purpose of the Business or any part of the Business, and the amount of any resulting Business Interruption
- C such books of account and other business books, vouchers, invoices, balance sheets and other documents, proofs, information, explanation and other evidence that the Insurer may reasonably require for the purpose of investigating or verifying the claim, together with, if required, a statutory declaration of the truth of the claim and of any matters connected with it.

Particulars or details contained in the Insured's books of account or other business books or documents, which may be required by the Insurer for the purpose of investigating or verifying any claim under this Section, may be produced by professional accountants if at the time they are regularly acting for the Insured. Their report shall be *prima facie* evidence of the particulars and details to which such report relates.

The Insurer will not pay for any claim unless the terms of this condition have been complied with, and any payment on account already made shall be repaid to the Insurer.

3 Contribution

If at the time of any Event resulting in a claim under this Section there is any other insurance effected by or on behalf of the Insured covering such loss or any part of it, the liability of the Insurer under this Section shall be limited to the Insurer's rateable proportion of such loss.

4 Subrogation

Any claimant under this Section shall, at the Insurer's request and expense, take or permit to be taken all necessary steps for enforcing rights against any other party in the name of the Insured, before or after the Insurer makes any payment.

The Insurer agrees to waive any such rights to which the Insurer might become entitled by subrogation against any company standing in relation of parent to subsidiary (or subsidiary to parent) to the Insured or against any company which is a subsidiary of a parent company of which the Insured are themselves a subsidiary, in each case within the meaning of the Companies Act or Companies (Northern Ireland) Order current at the time of the Business Interruption.

5 Declarations

Prior to each renewal date, the Insured shall provide the Insurer with the Estimated Gross Rent for the financial year most nearly concurrent with the ensuing Period of Insurance.

Not later than 6 months after the expiry of each Period of Insurance, the Insured shall provide the Insurer with a declaration confirmed by the Insured's auditors of the Gross Rent earned during the financial year most nearly concurrent with the expired Period of Insurance. If any Event has occurred giving rise to a claim for loss of Gross Rent, such declaration will be increased by the Insurer for the purpose of premium adjustment, by the amount by which the Gross Rent was reduced during such financial year solely in consequence of the Event.

Premiums are provisional. If the declaration of Gross Rent provided by the Insured and confirmed by the Insured's auditors, proportionately increased where the Maximum Indemnity Period exceeds 12 months, is

- A less than the Estimated Gross Rent for the relative Period of Insurance, the Insurer will allow a *pro rata* return of premium on the Estimated Gross Rent not exceeding 50% of such premium paid
- B greater than the Estimated Gross Rent for the relative Period of Insurance, the Insured shall pay a *pro rata* addition to the premium paid on the Estimated Gross Rent.
