Self Drive Hire Policy Overview

This is a policy overview only and does not contain the full terms and conditions of the contract. The covers applicable will depend on the level of policy cover you have chosen, details of which can be found within the quote or policy schedule. Full terms and conditions can be found in the policy documents, a copy of which is available on request.

What is Self Drive Hire?
Self Drive Hire is a specific insurance cover designed for your rental business and covers your fleet of vehicles you hire to your customers under a rental contract.

The policy is underwritten by Allianz Insurance plc.

Territorial Limits
The Self Drive Hire policy applies in respect of accidents occurring in Great Britain, Northern Ireland, the Isle of Man and the Channel Islands as well as in the European Union and Iceland, Norway and Switzerland.

What is the policy duration?
This policy has a 12 month period of insurance (unless shown differently on your quote or policy schedule) and is annually renewable. Start and end dates of the policy are detailed in the policy schedule.

How do I cancel the contract?
Provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current period of insurance, if you are an individual or sole trader (including a partnership in England or Wales) you have a right to cancel within a 14 day reflection period and receive a return of any premiums paid less an administration charge of £50 and an amount representing the cover you have received. A minimum amount of £100 is payable. Full details can be found in the policy wording.

To cancel the policy, please contact the insurance adviser who arranged the policy.

Outside of the reflection period you have no cancellation rights.

How do I make a claim?
If you need to make a claim, our Motor Claims team can help you. An immediate call on 0330 102 1998 will ensure that your claim is handled quickly and smoothly.

This number is open 24 hours a day, 365 days a year.

Please have your policy number to hand and as much information about the claim as possible.

If you have a Legal Protection claim you can notify Allianz Legal Protection by contacting the Lawphone Legal Advice Helpline on 0344 854 1784.

Your obligations
You must make a fair presentation of the risk at inception, renewal and variation of the policy.

The premium is to be paid on request. Please speak to your insurance adviser about the options available for the payment of premium.

Please periodically review the policy documentation to make sure that it meets and continues to meet your needs and that you understand its terms, conditions, limits and exclusions. If you wish to make a change or if there is anything you do not understand please contact your insurance adviser.

Please tell your insurance adviser as soon as reasonably possible if there are any changes to your circumstances which could affect your insurance. If your circumstances change and you do not tell your insurance adviser, you may find that you are not covered if you need to claim.

You must tell us as soon as you can about any claim or incident that may lead to a claim. You or anyone claiming under this policy must not admit fault or responsibility, or pay, offer or agree to pay any money or settle any claim without our permission.
Would I receive compensation if Allianz were unable to meet its liabilities?

Important Information

- You must observe the conditions which apply to your policy.
- Liability does not commence until this proposal has been accepted by Allianz Insurance plc and the premium has been paid, or if you have agreed to pay the premium and an official Allianz Insurance plc Covering note has been issued.

Your duty to make a fair presentation of the risk

You must make a fair presentation of the risk to us at inception, renewal and variation of your policy. This means that you must tell us about all facts and circumstances which may be material to the risks covered by your policy in a clear and accessible manner or give us sufficient information to alert us of the need to make enquiries about such facts or circumstances.

Material facts are those which are likely to influence us in the acceptance of or assessment of the terms or pricing of your policy. If you are in any doubt as to whether a fact is material, you should tell us about it.

If you fail to make a fair presentation of the risk, we may avoid your policy (that is treat it as if it had not existed) and refuse to pay any claims where any failure to make a fair presentation is:

a deliberate or reckless; or

b of such other nature that, if you had told us about a material fact or circumstance, we would not have issued, renewed or varied your policy.

In all other cases, if you fail to make a fair presentation of the risk, we will not avoid your policy but we may instead:

a reduce proportionately the amount paid or payable on any claim, the proportion for which we are liable being calculated by comparing the premium actually charged as a percentage of the premium which we would have charged had you made a fair presentation (e.g. if we would have charged you double the premium, we will only pay half the amount of any claims under your policy); and/or

b treat your policy as if it had included such additional terms as we would have imposed had you told us about a material fact or circumstance. Payment of any claim you make will be subject to the application of any such additional terms.

For these reasons it is important that you check all of the facts, statements and information set out in this proposal are complete and accurate. You must also make reasonable enquiries to check with anyone you employ in your business that the facts and statements set out in this form are complete and accurate.

- A specimen copy of the policy is available on request.
- You should keep a record (including copies of letters) of all information supplied to us which relates to this proposal. A copy of this proposal will be supplied on request.

If any of the Facts, Statements and Information set out in this Proposal are incomplete or inaccurate, you or your insurance adviser must contact us immediately. Failure to do so could invalidate your policy or lead to a claim not being paid.

Vehicle Notification

The Fourth EU Motor Insurance Directive is designed to improve the claims process for EU citizens who are involved in motor accidents in other EU member countries. The principle requirement is that a claimant should be able to identify the relevant insurer from the Vehicle Registration Mark. This may also help to combat uninsured driving. In the UK this legislative requirement is met by the 'Motor Insurance Database' (MID) which has been designed to provide a record of all insured motor vehicles registered for use on the road.

We require any additions or vehicle alterations to be notified immediately.

Various notification methods are available. Please indicate your preferred method from the choices stated opposite:

To comply with legislation please submit vehicle details to Allianz Insurance plc (either directly or via your broker)

Tick one box only

a Allianz website (this is the preferred method)

b Fax

c Post

d Email

Or, submission of vehicle information directly to the MID by

e Manual entry

f Attended File Transfer Protocol

g Unattended File Transfer Protocol

If you would like any clarification about the above mentioned transmission methods contact our Helpline on 0345 073 1118 (open 8am–6pm Monday to Friday)
Contact Details
Following the introduction of the Motor Insurance Database (MID) and the Ministry of Justice reforms to enhance claims processes, it is essential we are able to make immediate contact with you. This will allow us adequate time to investigate claims, mitigate costs or clarify questions relating to vehicle changes under your policy.
