

Certificate of Approval

This is to certify that the Management System of:

Allianz Engineering Inspection Services Limited

Building 3, Guildford Business Park., Surrey, GU2 8XG, United Kingdom

has been approved by LRQA to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 – 00053872

The scope of this approval is applicable to:

The provision of inspection services for lifting equipment (including lifts and cranes), electrical installations and EV charging infrastructures, local exhaust ventilation (LEV), power presses, and pressure systems. The provision of conformity inspection services for building energy efficiency, COMAH regulations compliance, non-destructive testing (NDT), and storage tanks.

David Derrick

Regional Director, UKAM
