As part of the Commercial Legal Expenses cover, the Insured has access to extensive online legal support via Allianz Legal Online.

This facility provides tools and services to help the Insured prepare a range of legal documents in connection with their business, such as employment contracts, HR policies, privacy policies and chasing debtors. In addition, this service provides the Insured with up-to-date online guidance on many legal issues, including business start-up, health & safety, intellectual property and debt recovery.

Furthermore, documents created using the facility can be sent via the system to a specialist legal team for review. A member of the team will respond via email or phone within three working days, answering any questions and providing amendments necessary to ensure the document meets the Insured's particular requirements (subject to a maximum of one hour's work per document).

The legal documents and guidance provided are always in accordance with the laws of England, Scotland, Wales and Northern Ireland.
