Important Information – Your duty to make a fair presentation of the risk

You must make a fair presentation of the risk to us at inception, renewal and variation of your Policy. This means that you must tell us about all facts and circumstances which may be material to the risks covered by your Policy in a clear and accessible manner or give us sufficient information to alert us of the need to make enquiries about such facts or circumstances.

Material facts are those which are likely to influence us in the acceptance of or assessment of the terms or pricing of your Policy. If you are in any doubt as to whether a fact is material, you should tell us about it.

If you fail to make a fair presentation of the risk, we may avoid your Policy (that is treat it as if it had not existed) and refuse to pay any claims where any failure to make a fair presentation is:

- a) deliberate or reckless; or
- b) of such other nature that, if you had told us about a material fact or circumstance, we would not have issued, renewed or varied your Policy.

In all other cases, if you fail to make a fair presentation of the risk, we will not avoid your Policy but we may instead:

- a) reduce proportionately the amount paid or payable on any claim, the proportion for which we are liable being calculated by comparing the premium actually charged as a percentage of the premium which we would have charged had you made a fair presentation (e.g. if we would have charged you double the premium, we will only pay half the amount of any claims under your Policy); and/or
- b) treat your Policy as if it had included such additional terms as we would have imposed had you told us about a material fact or circumstance. Payment of any claim you make will be subject to the application of any such additional terms.

For these reasons it is important that you check all of the facts, statements and information set out in your Commercial Select Proposal Form or in any other information provided are complete and accurate. You must also make reasonable enquiries to check with anyone you employ in your business that the facts and statements set out in your Commercial Select Proposal Form or in any other information provided are complete and accurate and that there are no other material facts which you need to disclose.

If any of the facts, statements and information set out in your Commercial Select Proposal Form, risk presentation or any additional information provided are incomplete or inaccurate, you or your insurance adviser must contact us immediately. Failure to do so could invalidate your policy or lead to a claim not being paid or not being paid in full.
